3. Looking over the 1984 Valhalla Supplement are **Stephanie Halcon, Lehua Francisco, Marlo Antonio,** and **Jane Cunanan.**
4. **Teresa Mayes** reads of puritanism in Ms. **Darlene Andreotti's** English class.

BREAKING INTO ANOTHER YEAR

For many, the year began with freshman orientation and the freshman dance held August 23, 1984, featuring a repeat performance of last year's End of the Year Project. For others, practices for fall sports necessitated they begin training for a possible MBL championship before the year officially began. Many clubs, such as leadership, yearbook, and the academic decathlon team had been keeping school a priority over the summer vacation. But for the most part, school began at North Salinas High School on August 27, 1984, marking the first time in recent history that school had not begun the day following Labor Day.

Returning students found it relatively easy to "get back into the groove" for school, while freshmen, and transfer students, had a more difficult time of it. Freshmen, living up to their name, were intimidated by many things from a big bad senior to Ms. Elizabeth Yee's organized system that she presents day one of the school year.

A convenience that students were granted this year was an additional minute during passing periods. This has been proven successful, as the number of tardies has been sharply reduced, resulting in less suspensions, and a higher number of "outstanding" or "satisfactory" citizenship grades. The only loss of privilege resulting was the shortening of the lunch period by four minutes.

The counselors busied themselves, as always during the initial weeks of school, with schedule changes and computer problems. But the general concensus is that the problems were in the smallest quantity since the computer was first institutionalized at North Salinas High School 5 years ago. The people that had the most satisfaction in this were the counselors, for they were given much more time to discuss futures, jobs, and problems with their students.

It was a hot and sticky August day for the 1600 students on the first day of school. And for many, partying was on their mind. Many students spent the first few weekends at the beach working on their tan. But as if it were a natural part in the cycle of school, studying was becoming more and more important.

Gradually, the pressure was building, finals were imminent, as the first quarter came to a close. Then, at the peak of their oppression, they had broken the barrier and won the prize. All, including students, faculty, administrators, and the building itself groaned a sigh of relief as Winter Break provided the necessary relief from the grind of school and the opportunity to spend time with relatives over the Christmas and New Years holidays.

STUDENTS BREAK AWAY

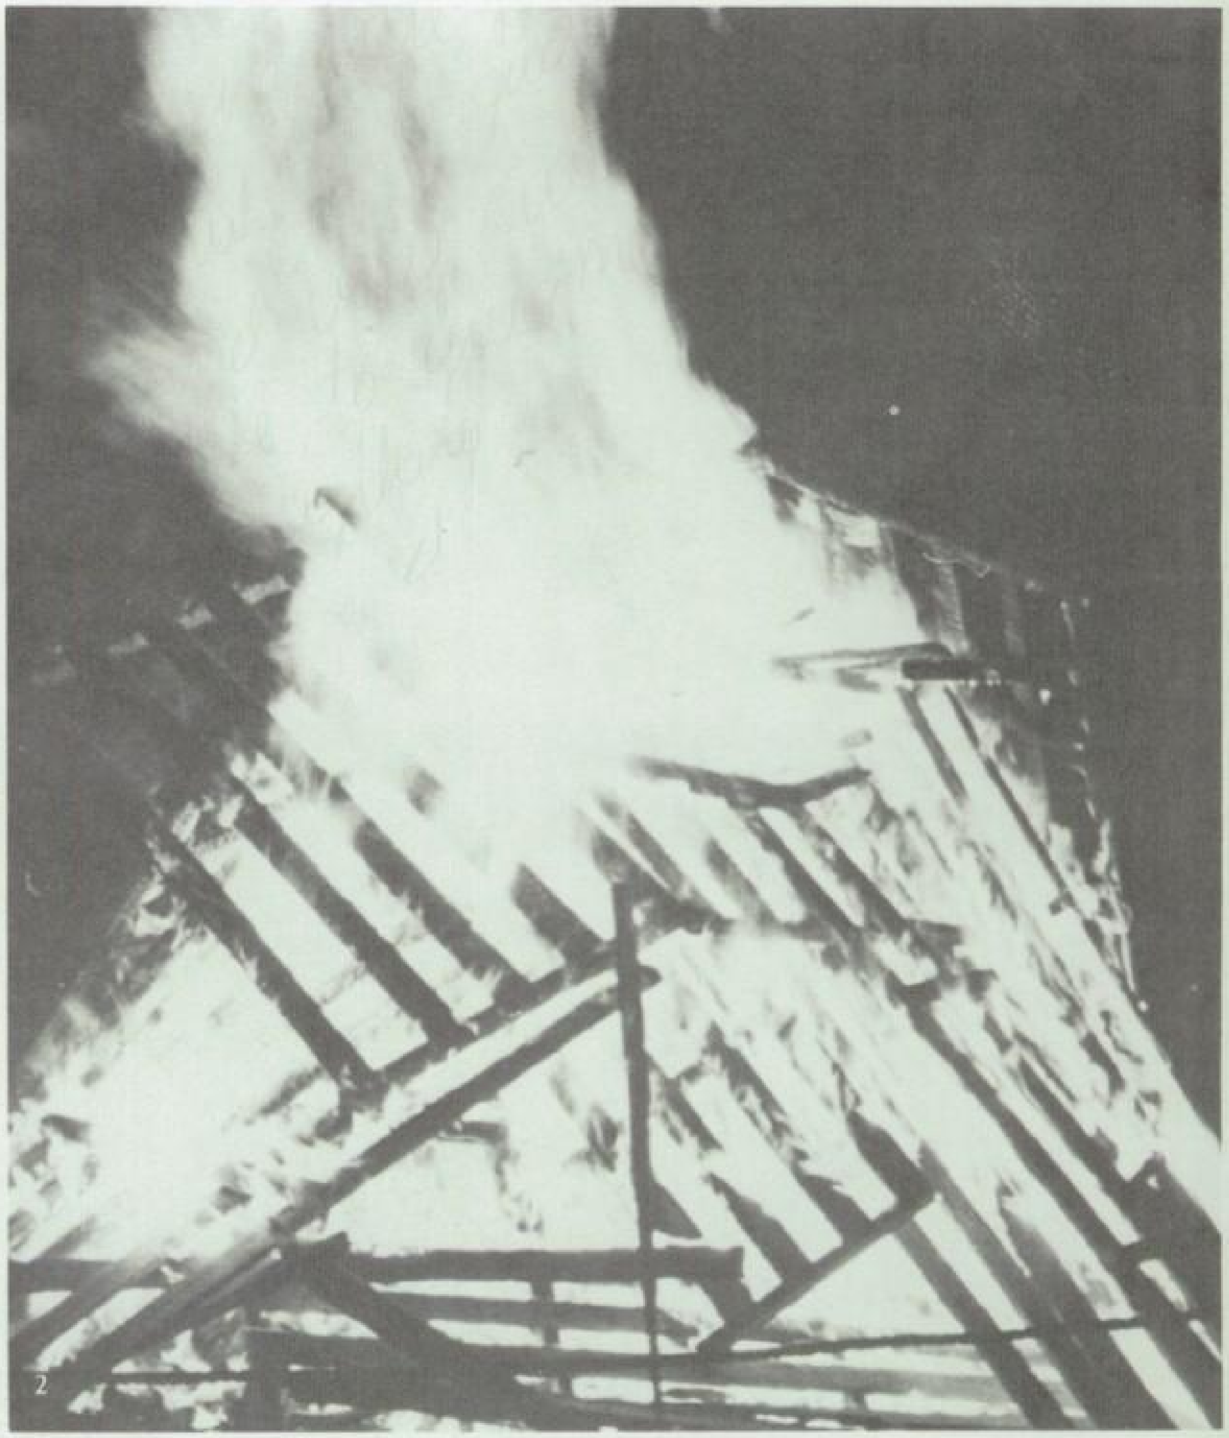
5

1. **Anna Monares** and **Mike Jones** laugh at a funny-looking photographer.
2. Former NSHS student **Benny Vallejo** grimaces while **Cherie Denoyer** and **Harold Davenport** catch the action of the game against Gilroy.
3. **Anthony Hultz** and **Jose Huerta** take a breather during lunch.
4. **Jennifer Paulin, Joy Catacutan, Johanna Ramirez,** and **Marlo Torculas** cheer as the Vikings break for a long gainer.
5. Waiting for math to begin are **Noel Ugale** and **Julie Russell.**
6. **Darrel Turney** captures the spirit of being a true Viking rooter.

FROM THE GRIND OF SCHOOL

6

1. Winners of the Salinas High game's rally competition, the juniors stand to receive their reward.
2. Homecoming brought the first bon-fire to North Salinas in the 1980s.
4. A factor that kept the Vikings going 48 minutes each ballgame were the diehard rooters.
5. **Lori Holt, Susie Shehorn, Natalie Lievanos,** and **Patty Dick** root for North Salinas on and off the field.
6. **Suzanne Shaw, Pearl Cabaluna, Laura James,** and **Jamie Hanes** support the AP Club by buying candy.



3. Students **Debbie Morgan, Garner Saguil,** and **Stacey Nation,** and the rest of the leadership class help promote teacher involvement at a teacher appreciation day luncheon.
7. **Jane Cunanan, Donna Cann,** and **Lehua Francisco** listen to "General High School" in the mall.

SPIRIT UNBROKEN AT NSHS

There was no place to be found at North Salinas where spirit had not been. Spirit permeated through to everyone, be they an athlete, a rooter, or a teacher. Immediately into the new year, all felt the true meaning of the word.

As the year progressed, involvement increased greatly, reducing the isolation which many feared would be a dominant force. Commissioner of Rallies, **Lynn Drennon** experienced a steady climb in attendance, often resulting in capacity seating and doorways filled with students. Many students took advantage of the opportunity to costume on Halloween, Red White and Blue Day, and, the infamous at North High, Scarlet Letter Day.

Everyone has proven that the Vikings are indeed alive; alive with energy, alacrity, and enthusiasm. Vikings were not afraid to show the boldness that makes them Vikings, the pride,. and the spirit which indeed has made North Salinas High School alive in eighty-five.

FASHION BREAKS OUT IN NEW DIRECTIONS

Fashion is used to express a person's emotions, thoughts, and feelings. Since there are so many different individuals, naturally there are many different styles.

One of these very popular styles of the 1984-85 school year is the "Neon" look. Neon is what we called the florescent colors such as green, yellow, pink, and blue. Everywhere you looked there was someone in a florescent shirt usually worn with a contrasting black skirt or pants. There were Neon pants, skirts, shirts, shoes, socks, and scarves. Almost anything you can think of.

More of the styles of the year took after many famous singing artists like: Prince, Boy George, Madonna, Huey Lewis, Cindy Lauper, Billy Idol, and Motley Crue. Then there was the traditional "Preppy" look. This was the more clean-cut look which consisted of sweaters, polos, ties, penny loafers, and oxfords. This look was great for both boys and girls.

The styles of hair tended to go more to the short side for both boys and girls. We had short bobs, hair set behind the ears with mousse, and quite a few perms for curly hair. Some of the boys went with the "crew cut" look yet others stayed with the traditional feathered back hairstyle.

Some of this year's footwear was quite outrageous. There was the popular "Gladiator" shoes, that went well with the neon outfits. Then there were the pumps, and flat slip-ons for girls. For the guys there were penny loafers, wallabies, converse, and other tennis shoes.

And of course everyone wore the 501's (some without pockets, for the girls), pullover sweatshirts, and nike tennis shoes.

HOMECOMING
FOOTBALL

North Salinas Breaks Out The Spirit For Football Homecoming

"Let's Go Crazy!" was the theme for this year's 1984-85 football homecoming. It was a very exciting homecoming, there was the traditional window and float contest between classes, the homecoming parade, and of course the homecoming dance where the king is announced. This year a bonfire was held for the first time in about 10 years and there was an ad published in the Californian newspaper picturing all of the fall varsity teams.

As in the past at the homecoming rally the candidates were introduced, the candidates were: (for king) **Kevin Waddle, Les Walker, David Keating, Keith Turner, Aaron Stanton, Bubba Grijalva,** and **Demetrius Brown,** (for queen) **Patty Dick, Therese Segundo, Susie Moore, Cathleen Shehorn, Cheryl Horton, Paige Campbell,** and **Kim Becker.** Also, the Monterey Peninsula Corvette Club escorted our homecoming queen candidates into the Municipal Football Stadium during halftime, when the queen is announced. This year's chosen queen was Cheryl Horton. When they announced the last name for the queen's court Cheryl was very surprised, she said, "I thought for sure that Patty Dick had won, I was totally surprised."

The homecoming dance was held the next night to announce the winner of the homecoming king. The dance went very well and Bubba Grijalva was crowned King. He later said, "I was very surprised, I didn't think I was going to win."

NSHS In The News

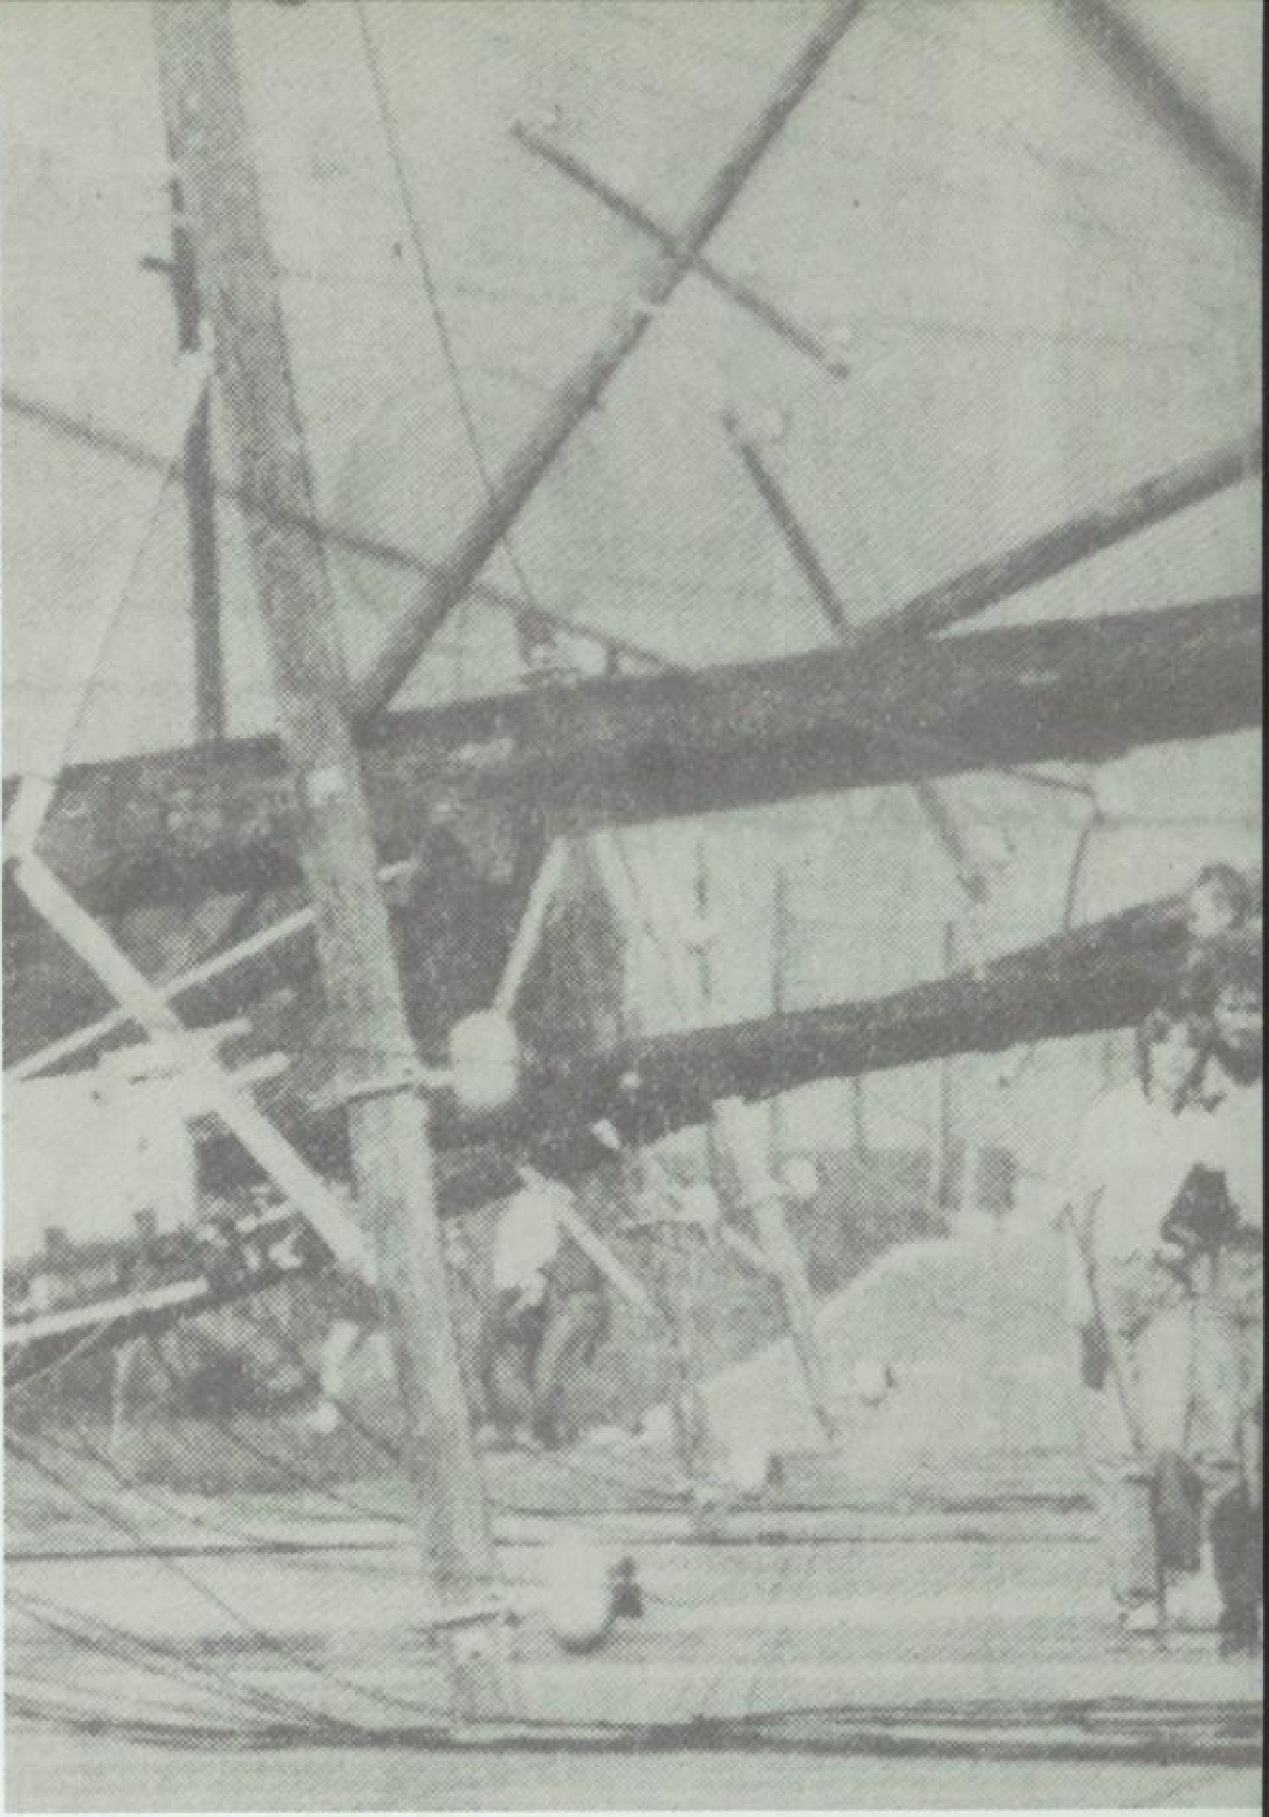
Four years ago, the Space Shuttle Enterprise was launched, putting the United States ahead in the space race. This year, the Space Shuttle Colombia successfully completed the tenth space shuttle mission, and no one seemed to notice.

The Tylenol scare, several years back, with the cyanide laced capsules has been virtually forgotten, as the safety-sealed package is commonplace today.

Happenings at North Salinas High School this year will not be forgotten in the coming years. How is it possible to forget the week that the Vikings captured the MBL Championships in Football, Cross Country, and Volleyball, and the County title in the Academic Decathlon competition? How could we forget computer dating — or Crazy George at North High? Every type of music has played here with bands featuring from Rented Tux to Undercover!

Occurences outside the center of world activity, North Salinas' Main Office, included the birth of Baby Fae, with the heart of a baboon, representing the first medical breakthrough of its kind, or the climax of professional football, the Super Bowl being played within 150 miles of the North Salinas swimming pool.

But without question, that which has made our school break out of the pack, is the commitment, and quality of the student body at the home of the Vikings!



A Long Beach, North Carolina couple walks to a shelter station, after Hurricane Diana hits this seaport town. 2. Watsonville Law Enforcement Officers prepare to enter a barn near the site of an early November standoff.

3. Future Viking **Joe Hurtado** shows his spirit at Sportfest, a summer activity for grammar schoolers. 4. **Julie** and **David Packard** tour the Monterey Bay Aquarium which they financed with a contribution of forty million dollars.

VIKINGS GO TO THE POLLS

It was November 6, 1984. Whether you were Ronald Reagan, Walter F. Mondale, Leon Panetta, or Patricia Ramsey, the day meant the same for you. Today represented the culmination of months of campaigning which produced only one winner. North Salinas High students over 18 were encouraged to participate in their first Presidential Election.

But had things changed overnight? On November 7, Ronald Reagan was still President. Leon Panetta was still the Congressional Representative, and Doctor James Fassett still had his seat on Memorial Hospital's Board. The general trend was to re-elect the office holders, but regarding the propositions, California took a stand.

The highly controversial State Lottery passed by a small margin, making California only the state to have an official state-run lottery. Of the money bet, one half would be returned to the gamblers as winnings, one third would be distributed among schools and the remaining portion would finance the lottery.

California said no to Howard Jarvis' second major tax initiative intended to modify the proposition thirteen of six years earlier. Voters were statistically proven to have felt more responsible towards the organizations that had suffered.

1. Mrs. Nancy and President Ronald Reagan acknowledge the victory at campaign headquarters in Los Angeles. 2. Congressman Leon Panetta. 3. Defeated presidential candidate, Walter Mondale, makes his final speech as a nominee before a crowd in Minneapolis. 4. State Representative Rusty Areias. 5. State Representative Eric Seastrand.

NORTH HIGH BREAKS OUT THE CHRISTMAS SPIRIT

The entertainment was outstanding at the Winter Ball. This year we had both a band and a D.J. The band was Rented Tux and the D.J. was Music Express. Rented Tux played fast moving and energetic new-wave music; on the other hand Music Express played more mellow, top 40 music. So our students had a variety of music to choose from.

The dance was held at Hartnell's Student **Hunt-Hoffman, Danielle Gresham, Debbie** Union Center. The Center was decorated to the "T", thanks to the dance committee: **Stacey Nation, Darin Hershberger, Margret Umbaugh, Erica Mustain, Debbie Morgan,** and **Donald Dalton.** The Committee also arranged for Dori's Photography to be there to take pictures for anyone who wanted to order them. Some of the refreshments were catered by Togo's Eatery the others were brought by students.

With all the time and effort of the Dance Committee, hot entertainment, good food, the Christmas atmosphere, and great company (the N.S. Student Body) this Winter Ball was a complete success.

Rented Tux, one of the main attractions at the Winter Ball, kept the audience alive with their new wave music.

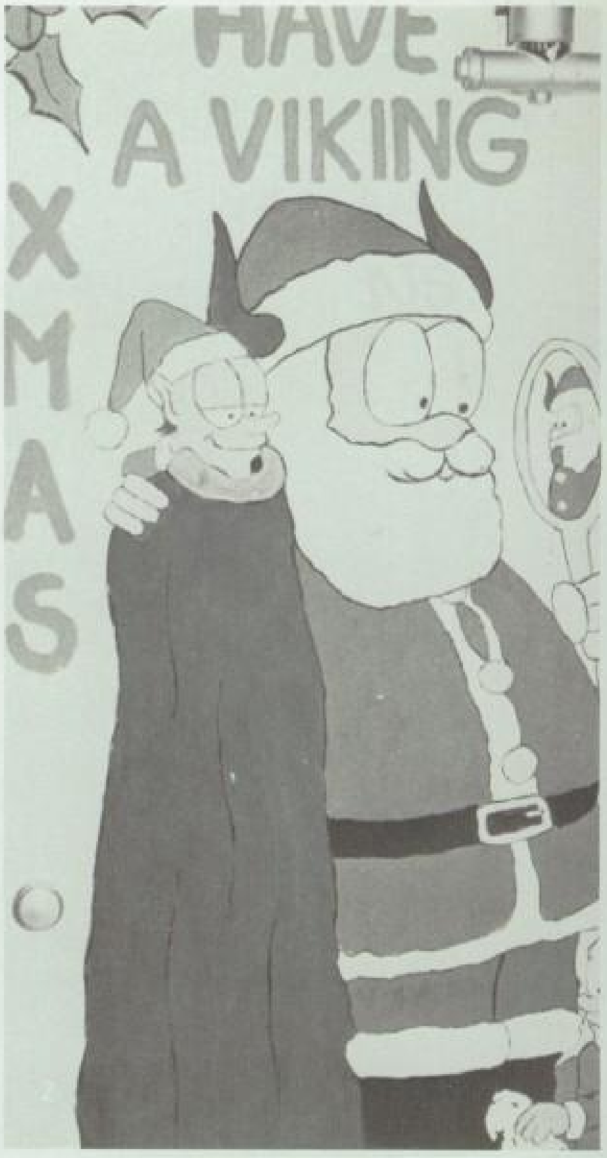
5. While resting a while, **Patty Dick, Lisa McGarry** and date **Mike Umomoto** watch other friends on the dance floor.

BREAKIN' OUT THE CHRISTMAS SPIRIT



This year North Salinas broke out and shined through with the Christmas spirit.

Many of the students participated in the pre-Christmas activities including the Canned Food Drive, Door Decoration, Winter Concert, Santa's Visit, and the Christmas Ball.

The Canned Food Drive was a big success. **Mr. Dave Hibbard's** classes of room 509 contributed a total of 643 items. Top donators were **Anthony Gamboa,** 161 items; **Jerry Youtsey,** 110 items; and **Lisa Guzman** 61 items and 10 pounds of flour.

Winning first place in the door decorations was **Mr. John Bernardi's** second period class of room 512; second place to **Mrs. Billie Shinn** in room 203; and **Mr. George Roach** of room 612 for third place.

North Salinas had it's annual Winter Concert on December 20, 1984, thanks to the help of **Mr. Brad Gronroos** and the Music Department.

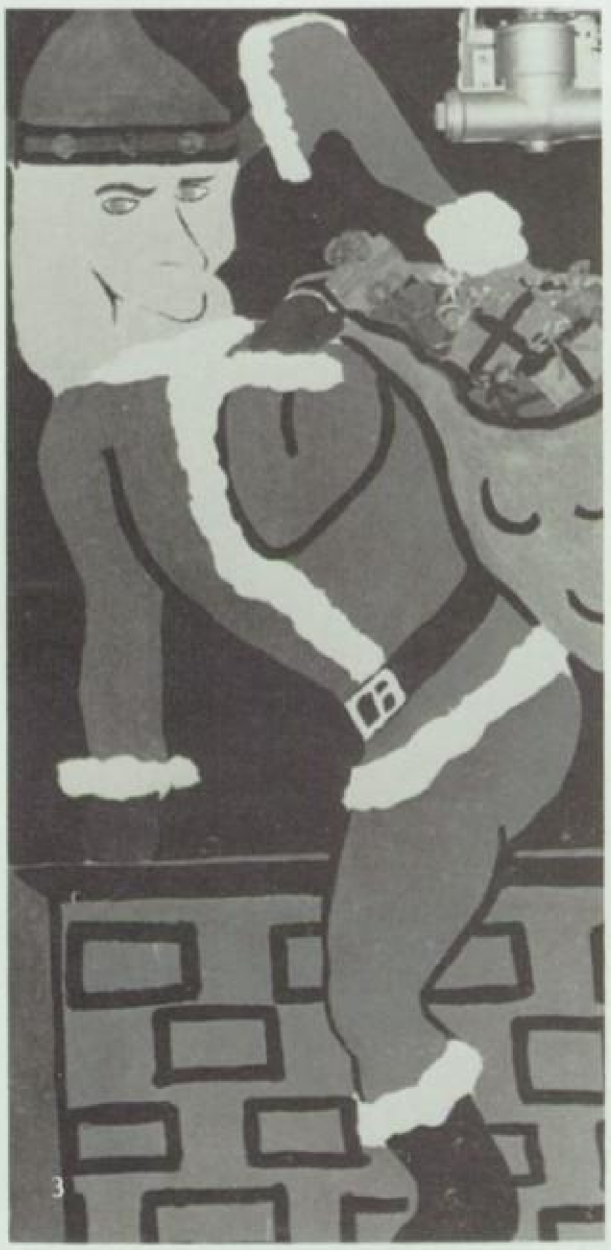
2. First place door decoration contest, **Mr. John Bernardi's** homeroom.
3. Second place door decoration contest, **Mrs. Billy Shinn's** homeroom.

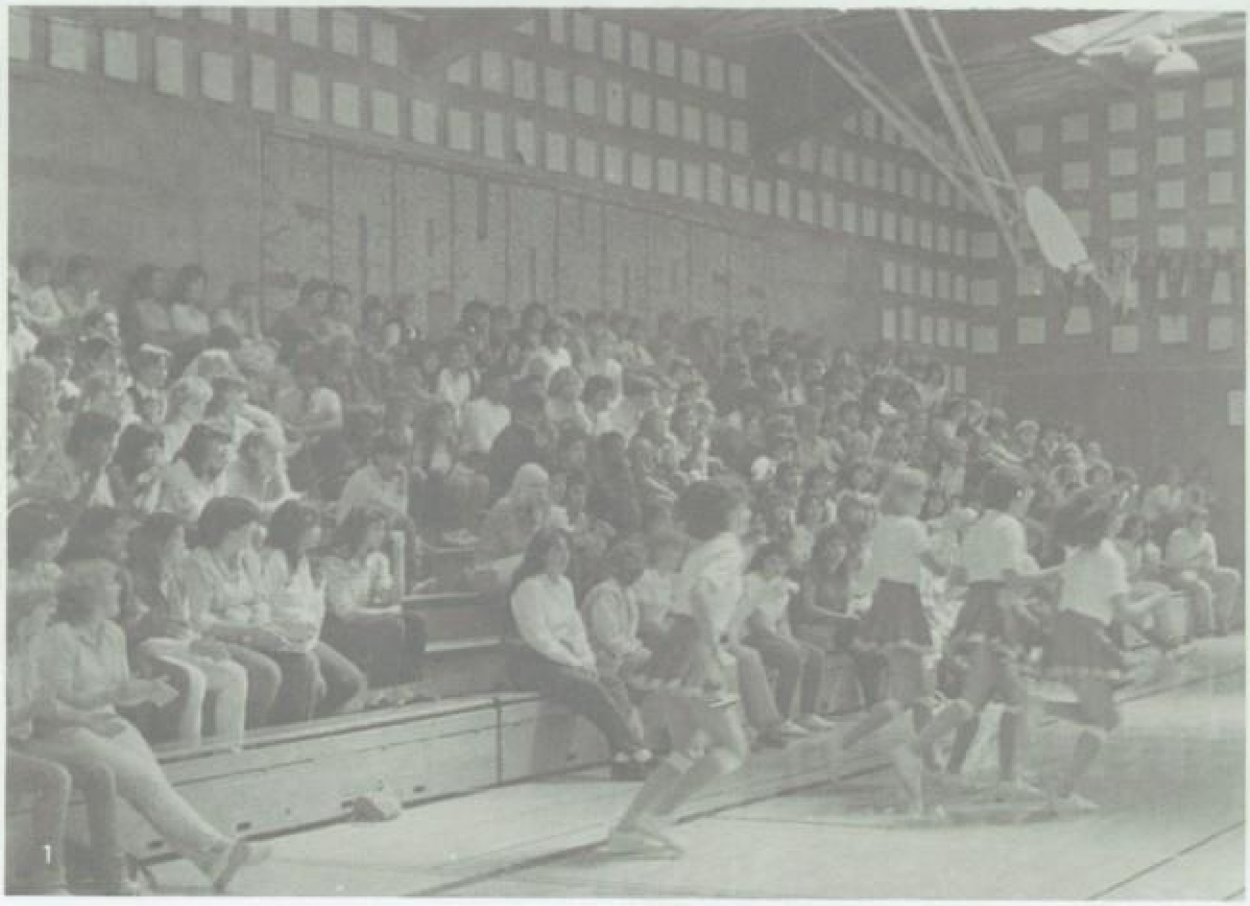
1. Santa and his elves wish everyone a Merry Christmas.
2. North High's very own Christmas tree.
3. Third place in the door decoration contest, **Mr. George Roach's** homeroom, Room 612.



RALLIES BREAKING OUT THE SCHOOL SPIRIT

Viking spirit was at its peak at the various rallies this year. Rallies ranged from a night bonfire to a lunch rally with **Crazy George,** of Oakland A's fame. While attending rallies, students watched skits, the spirit leaders and color guard performed and team coaches and members made speeches.

The two most memorable rallies were probably the football rally starring Crazy George and the basketball Homecoming rally during which the leadership class performed its version of the "Hot For Teacher" video. Over all, the crowd participation was excellent at rallies. The crowds participated in class competitions which included games of "Simon Says", led by Coach **Chuck Noroian,** and also class eating competitions. Congratulations to **Lynn Drennan,** Commisioner of Rallies, for a successful year.



1. The Freshman Football Cheerleaders Break away from the crowd to show their spirit. 2. **Crazy George** gets students excited about the s.h.s.vs.N.S. football game. 3. **Joe Sousa** and **Darin Hershberger** show us how to work out, Van Halen style. 4. **Tami Shepherd, Joy Catacutan, Marlo Torcules, Kim Shehorn, Janine Edgar** and **Brooke Campbell** perform a difficult stunt.

1. **Robert Rodriquez** standing casually by his '55 Chevy Sedan he got for his birthday from his father. It has a 327 small block motor with a four speed (very fast). His future plans for his Chevy is to paint it black, put in red interior and a 369 big block by the summer. 2. **Ki Hanson** shows off his 1978 Chevy Corvette with true spoke rims, glossy black paint, and a 350 small block 4 speed. He got it as a special 16th birthday present from his parents. 3. **Jaime Reloj** is mostly seen with **Nelson Afoa** in his sky blue 1973 Porsche 914. It was given to him as a hope-you-graduate gift from his parents. It's used basically for partying and surfing.

Another car that has been seen cruz'n around North High is the "Party Wagon" owned by **Tim Pansano.** Surely everyone has seen it racing around the parking lot at lunch time.

LOVE IT LOU

You will frequently see **Ralph SantaAna,** AKA Knight Rider, with his friends **Andy Corpus, Dana Corpus,** and **Steve Medici** in his black 1983 Firebird. Ralph's firebird is a special edition with every option.

"The Puds" **Cheryl Horton, Kim Becker,** and **Danielle Gresham** model Cheryl's red 1980 Mazda RX7. She got the car from her parents in July of '84. She said, "I'm paying my dad back, I'm not THAT spoiled!"

Brent Burgess is seen around in his 1971 914 GTSX, or a 916 replica. It took much time and effort turning a 914 into a 916. There were only about 20 916's built. There are a few differences between Brent's car and a factory 916. For instance; the television and the convertable targa-top. Brent and his brother worked together for three years for his creation. He still plans to install a turbo in it.

Ron Borchard is mostly seen with his girlfriend, **Teresa Mayes,** in his '68 Chevy Camero. It is the second car he has had. He bought it with the insurance money he got when he rolled and totalled his first car, which was also a '68 Camero. It goes 140 MPH and gets in his words "lousy gas mileage." The engine is a U-8 327. Hopefully, he won't total this one.

PRO FOOTBALL FANS FIERCELY LOYAL

Some cheered and some played. Most got involved with their teams, but only the few had the dedication to follow them through thick and thin.

Football was not the only sport to attract enthusiastic celebrations, although the Vikings had no trouble generating noise as they took two steps in the CCS playoffs. Basketball brought in some of the highest intensity spectators of the year as the **Steve Blaser** led Vikings went undefeated, which the team largely attributes to the encouragement of Viking fans.

North Salinas High is also the home of several that are dedicated to teams outside of High School, in the NFL, the major leagues, or the NBA. These individuals will follow their team through the pennant race, the Super Bowl, or just fifth place in their division.

Mark Edria, a senior and Los Angeles Raiders fan boasts following the team with the winningest record in pro football, a .714 average. His team "dictates from beginning to end with the psychology to intimidate. With players such as **Marcus Allen** and **Howie Long,** the Raiders will remain the primary team in the NFL. The 1986 Super Bowl winner will be wearing silver and black."

Pat Hernandez said about his 49ers, **"Joe Montana** had an excellent year with an all-pro line and an explosive backfield. The 49ers have the best secondary in the league, with their 18-1 record speaking for itself. The Miami Dolphins and the **Blackwood** sisters were competitive but never had a chance. **Dan who?"**

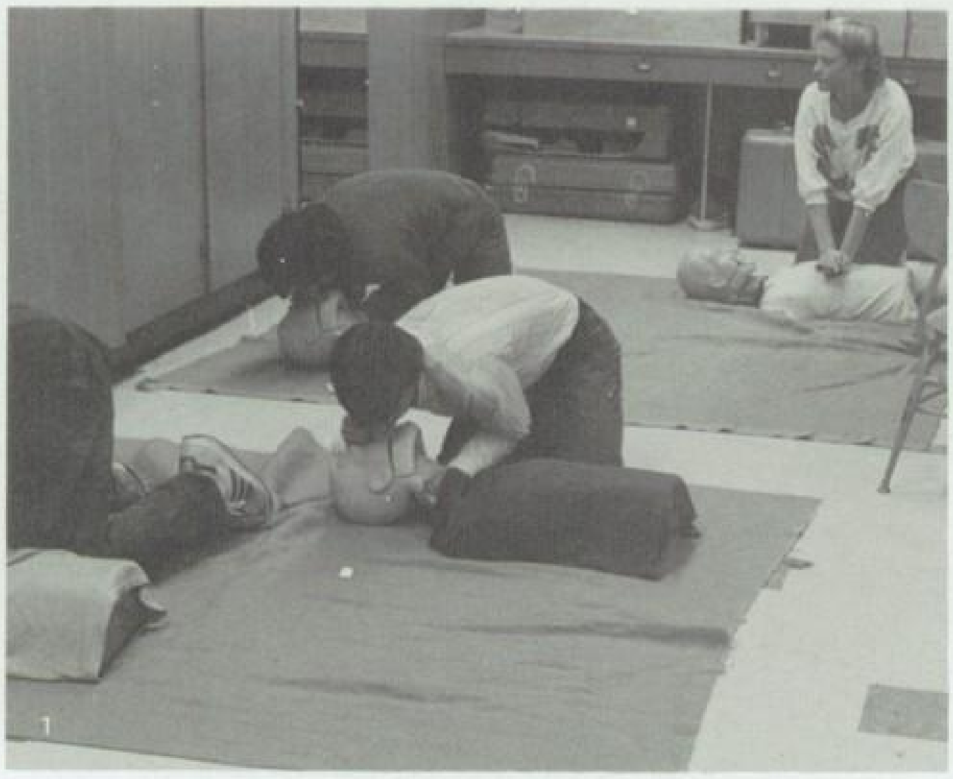
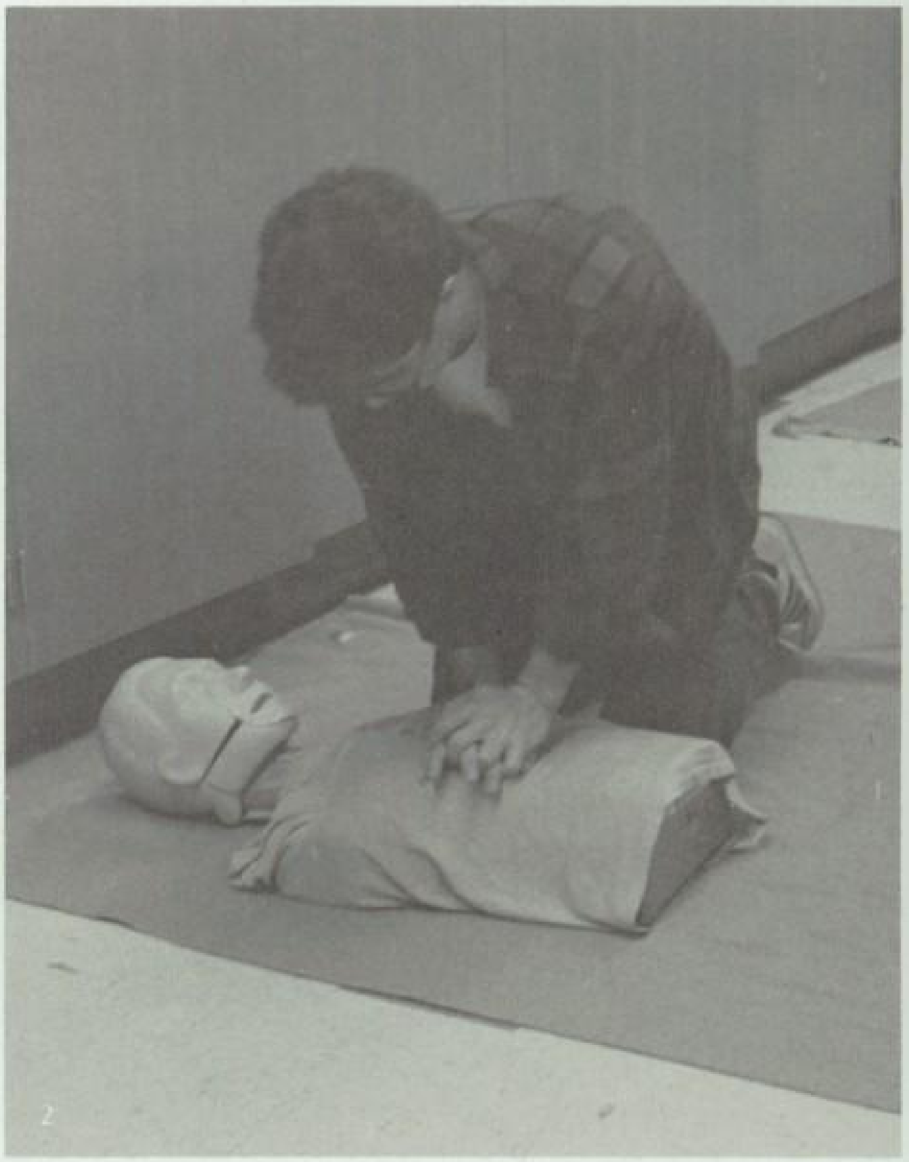
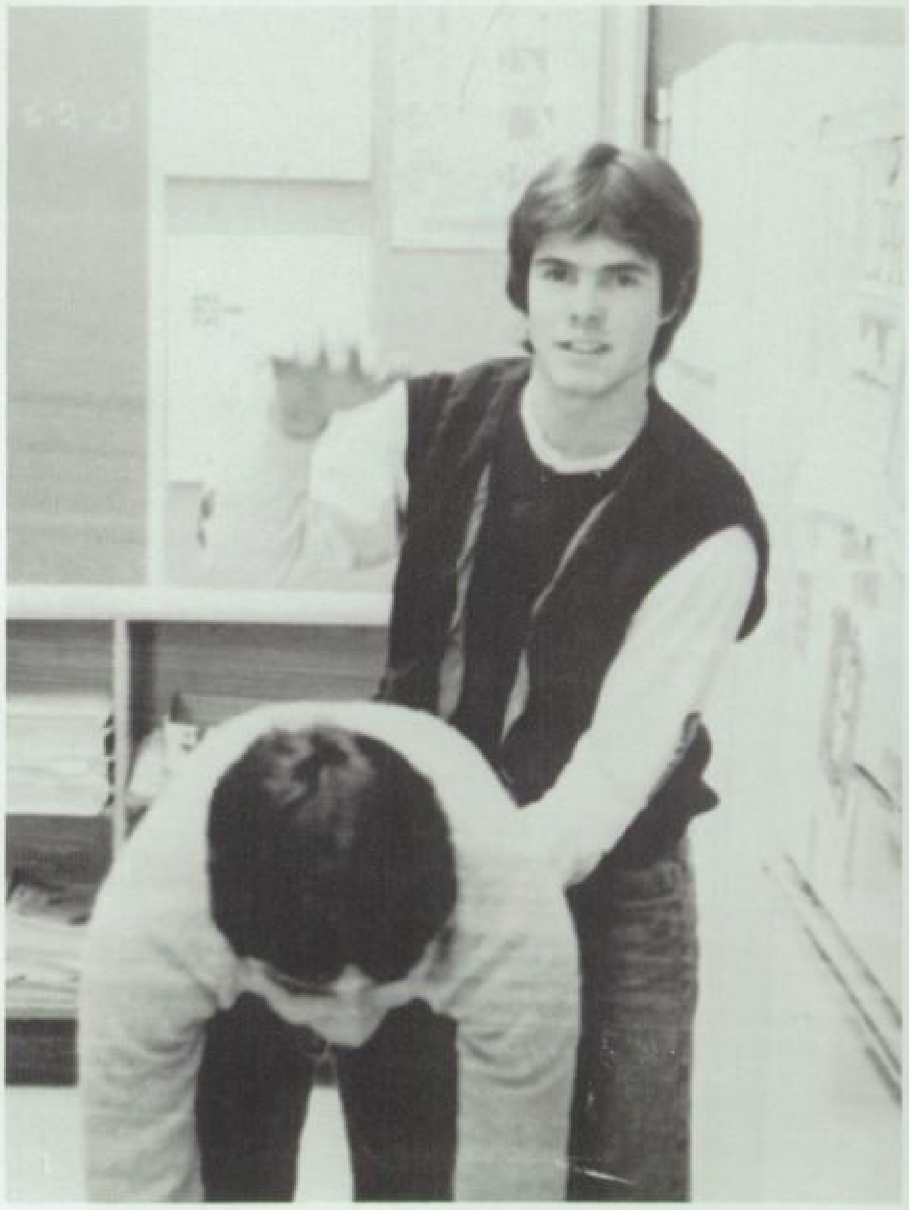
BREAKING THROUGH WITH HEALTH ED.

Health Education is an essentially important class and is required to graduate. The class covers many topics which may be useful to students now and later in life. Cardiopulmonary Resuseitation (CPR) is worked on and when the students have mastered it, they receive a Red Cross CPR card. Basic First Aid is also covered. A lot of it is practiced on fellow students including bandaging, carrying an injured person, and splints. Red Cross Basic First Aid cards are earned, too. Some other topics covered in Health Ed. are nutrition, smoking, male and female anatomies, sexually transmitted diseases, drugs, alcohol, birth control, and the birth of a baby. The class is worth five credits and is taught by **Billy Shinn** and **Fran Macomber.**







1. Health Ed. students practice various steps of CPR on mannequin.
2. **Vince Ferrante,** a sophomore, counts the chest compressions he has given with concentration.
3. **John Winant** saves **Danny Gutierrez** from choking with the Heimlich maneuver.

4. **Billy Shinn,** along with her class, observe demonstrations of CPR on the mannequins.
5. **Michelle Gruber,** a sophomore, prepares to take her CPR test.
6. The technique of chest compressions is being worked on by students.

SENIOR PANORAMA — A NSHS TRADITION

Getting more than 300 excited seniors to calm down, eliminate the hand signals, and smile is no small task, but the professional photographers were equal to it.

The traditional photograph on the front lawn was postponed once because of rain, and nearly postponed a second time because of winds and chill.

The final product was a masterpiece, naturally!

DRIVING-A STEP IN MATURITY

Learning to drive is one of the milestones of a teenager's life. Younger kids often look forward to the day that they too will be able to drive as do their parents.

Driving is not merely a mechanical process, but also an emotional one. For this reason, emotional maturity is necessary before one can learn to drive successfully. Driving has become symbolic of the growing up process - the metamorphosis of becoming an adult. Getting a driver's license is gaining a token to freedom. Suddenly the teenager is equipped with yet another way to rebell against childhood and the binding mold of parental limitation.

Once a teenager can drive he/she - whether they've got permission or not, can go literally anyplace. One's car often becomes a separate home- a sort of fort in which solitude and personal choice abide.

For the first time, the teenager has access to a place where total isolation is possible, which is necessary for one to grow into an adult.

BREAKING IN EACH DAY WITH THE BULLETIN

The bell rings. Second period has begun. But before anything else can be done, homeroom rituals such as the flag salute and the bulletin must be done.

For many students, this is an opportunity to study an extra few minutes for a quiz, or just chat with their neighbors. Bulletin styles ranged from having the teacher read it to a bulletin monitor, or just reading it when you get it passed to you.

Without the bulletin, students would not be as informed of when to watch the Vikings battle in CCS playoffs, pick up their report cards, or buy discount rate cafeteria tickets.

LOCKERS A PERSONAL EXPRESSION

It is universally known that high school lockers are painted the drabbest shades possible. This invites an aray of posters, photos, mirrors, stickers, and messages. Locker doors have become more than a mere posting board for paraphernalia. They're now a personal expression of students' personalities.

Sylvia Labson, Rose Agtarap, and **Carol** and **Cathy DeLeon** all agreed that decorating their locker is fun because different ideas come up. Designing lockers bring out the uniqueness and creativity and also show the latest things such as fashion trends and posters of famous rock stars and teenage idols.

THE CAREER CENTER HELPED MANY STUDENTS IN MANY WAYS

The Career Center facilities were available for students who needed to conduct research on many jobs. If materials on a particular job weren't available, the personnel there could get it. In addition, the Career Center was the registration Office for ROP classes and for Work Experience programs.

Mr. **David Hershberger,** ROP Coordinator, issued work permits. He also contacted the students employers to make sure they were being paid at least minimum wages.

Mrs. **Audrey Perry** was the Career Technician. She provided services for students interested in searching career information or about colleges students would be interested in attending. She also informed students if there were any openings in any job. Mrs. Perry gave the person's name students should contact.

POPULAR P.E.

Because of the lack of teachers, this year's Physical Education program had a very limited number of choices for the students. Although activites were limited, our P.E. teachers, which included **Mrs. Margy Silveria, Mrs. Traylor, Mr. Beguhl, Mr. Bob Steinbach, Mr. Milner,** and **Mr. McWilliams,** did the best with what they had. The most popular activity as in past years, was again pickleball. Pickleball is actually a simplified form of tennis, which is used with a small wooden racket and a wiffle ball. Other activities that were offered this year consisted of basketball, tennis, volleyball, soccer, flag football, weightlifting, tumbling, aerobics, and swimming, which is a requirement for all incoming freshmen.

ORGANIZATIONS

BREAKING OUT INTO INVOLVEMENT

One class who knows the meaning of INVOLVEMENT is the Leadership class. Under the supervision of **Mr. Derrell Kunnas,** the Leadership Class learned skills of leadership and how to get involved. During the summer, **Mike Desamito** went to a camp in Monterey. In August, **Laura Lavina, Jana Milner,** and **Dee Rojas** went to a camp in San Diego. They brought ideas back to hold their own Leadership Conference at North High. In October, the class participated at a Leadership Conference held at the Salinas Community Center.

The class thought of ideas to get everybody in the student body involved, such as: dances, rallies, and lunch-time activities. Some of this year's ideas included leadership sessions, a campfire at Carmel Beach, movies in the small gym, the bonfire during Homecoming week, and the Senior Class coordinated the Freshmen Orientation.

This year's ASB President, **Laura Lavina,** has been involved in Leadership for three years. She was a secretary in her sophomore year, ASB Vice-President in her junior year, and ASB President this year. She said, "The best thing about Leadership is the people. Motivation and enthusiasm spread through like wildfire, and when an activity has been pulled off, there is always someone there to push and make it work. Every person is special. The class is the greatest!"

VALHALLA-A SIGN OF SUCCESS

A new year had begun, but even before students arrived, the 1985 Valhalla Yearbook staff had already begun the creative process of creating a yearbook. The new staff faced two major goals over the year: a high-quality book while meeting deadlines, and evading a deficit for the budget.

Editor-in-Chief **Ken Caveney,** Adviser **Clyde Farnsworth,** and Business Manager **Stacey Nation** worked together to ensure that the successful manipulation of complicated procedure of yearbook was used to its potential. That potential included the first time for the Senior Section to be in color, which added to the cost of the production of the book.

Section editors included **Toni Flores,** Seniors; **Lori Holt,** Sports; **Sylvia Labson,** Organizations; **Andrea Ornelas,** Student Life; **Alice Woods,** Faculty/Staff; **Virginia Hobart,** Juniors, **Jeanette Valerio,** Sophomores; **Joy Catacutan,** Freshmen; and **Greg Babione,** Copy Editor.

Rich Daniel, Head Photographer had the duty of assuring all staff members that he and fellow photographers **John Burke, Jeff Pohl, Natalie Mosley,** and **Tim Castro** would immortalize all events on film for yearbook use.

The computer age became a part of producing a yearbook this year, as **Jeff Wissner,** the staff's computer operator, entered all copy and names in an Apple IIe microcomputer. This addition enabled the staff to spend their valuable time on the more pressing demands of a yearbook.

THESPIANS BREAK A LEG

Participating in the drama class gave North High students the opportunity to build self-confidence, learn how to speak confidently and, of course, learn acting skills. In the class, a total of ten projects must be completed: six plays, three auditions, and one full-length play or a special project. The students rehearse plays, do improvisations, learn about famous actors and plays and also have special guest speakers.

Outside of the drama class, there is the Thespian Club which anyone can join. **Joelle Atencio** is the club's president. The drama class is lucky to have a teacher like Doctor Heniford (referred to by the students as "Doc"). To them, "Doc" is "like the father of our little family."

Last year, the North Salinas Drama Club celebrated its twentieth anniversary in the little theater. With forty students in the class, it is unusually large due to the shortage of teachers. Next year there is a possibility that there will be two drama classes.

VIKING BAND
BREAKS OUT THE SOUNDS

This year there were 52 students in the North Salinas High School Viking Band. Under the direction of Mr. Brad Gronroos and this year's drum major Frank Navarro, the band had a great year. Besides playing at the football games, the band along with the Color Guard competed in several band competitions. They competed at Modesto, Live Oak, and Logan High at Union City. They also played at Salinas High School, but as an exhibition. During these competitions, they won with honors. They placed second at Logan High and at Live Oak. The drum line section placed first in Modesto.

The drum line was taught by Mr. Louis DiMarino and was assisted by former North High student Robbie Tompkins. Allegra Stone, one of the band members, said, "For the past five years, we competed against a tough high school, Silver Creek, and they have always beat us, but for the first time this year, we actually beat them. We are so happy. We couldn't believe we beat them. After the competition, we went to celebrate our victory."

VIKING COLORGUARD BREAKS AWAY

The Colorguard was better than ever this year! New uniforms, new music, and new routines helped them pave their way towards victory in almost all of their competitions.

Colorguard coach **Bob Tompkins** scheduled practices almost every day of the week, including a good part of the summer. All of this practice, hard work, and determination proved that they were mighty Vikings!

Team members are as follows: **Bobbie Keating, Roberta Ramírez, Edna Antonio, Carolyn Becker, Naomi Castro, Tracy Clements, Dayna Davis, Deanne Dunn, Sonia Gonzales, Karen Montaney, Shelly Pebbles, Leanna Sassman, Dina Yates, Heidi Zimmerman, Marissa Aimpon, Isabel Elizondo, Lisa Renay Wendling, Lori Haver.** Guard assistances were: **Windy Harvie, Susan Harris, Kim Nichols, Belinda Castro.**

BREAKING THROUGH BARRIERS

The North Salinas International Club has been a very important part of this school. Because of this organization, we have received three new students, **Jakob Hansson** from Sweden, **Nadia Lagger** from Switzerland, and **Jose Espinosa** (A.K.A. The Touchdown Kid.) from Bolivia. Just by talking to any of these students, one can really learn a lot about other countries, and their customs.

Besides receiving students, we do have students, who may possibly transfer to other countries such as Senior class Pres. **Darin Hershberger, Anna Monares,** and **Margaret Hunt-Hoffman.** None of this would be possible without their leader and organizer **Mr. George Roach.**

2. Club leader **Mr. George Roach** and member **Jakob Hansson** discuss upcoming events.

ROOTERS BREAKING OUT THE SPIRIT

The North Salinas Rooters Club has played a very important part in school sports. Besides raising their voices at games to motivate the teams, they made posters and announcements spurring on the teams to victory.

The rooters have given the athletes that extra motivation to win. Their craziness and cheers have spread school spirit among every student at North High.

Rooter **Joy Catacutan** says "It was fun supporting the Vikings through their victories and most trying moments." **Suzy Shehorn** also said "It was very enjoyable being in the Rooter's Club this year, knowing that we had many more fun activities this year than in the earlier years of high school.", and **Jodi Gunter** jokingly says "It was different!".

So when you hear about our teams winning, just think about the people who cheered them on.

ASHLAND CLUB

The Ashland Club is a group of students and teachers, who in early spring, travel up to Ashland, Oregon, to attend a Shakespearean festival of plays. Some of the plays seen this year were "Crimes of the Heart" and "King Lear". During the day, the students may explore the surrounding town, go shopping, eat, or just plain relax.

Jenny Wilmoth is the president, **Monique Roberts** is the Secretary, **Damon Vix** and **John Brewer** are co-vice-presidents. **Ms. Andreotti** is the officiating teacher.

GATE CLUB

The Gate Club got its start in 1983. **Ms. Andreotti** and **Mrs. Loe,** the officiating teachers, began this club to foster educational travel and cultural events. The club is composed of freshmen and sophomores. This year the club took a trip to Stanford University to attend the performance of "Taming of the Shrew". They also went to the Monterey Bay Aquarium and the Tor House. **Doug Mayes** is the president, **Darleen Chester** and **Eva Badilla** are co-secretaries, and **Brooke Bellew** is the vice-president.

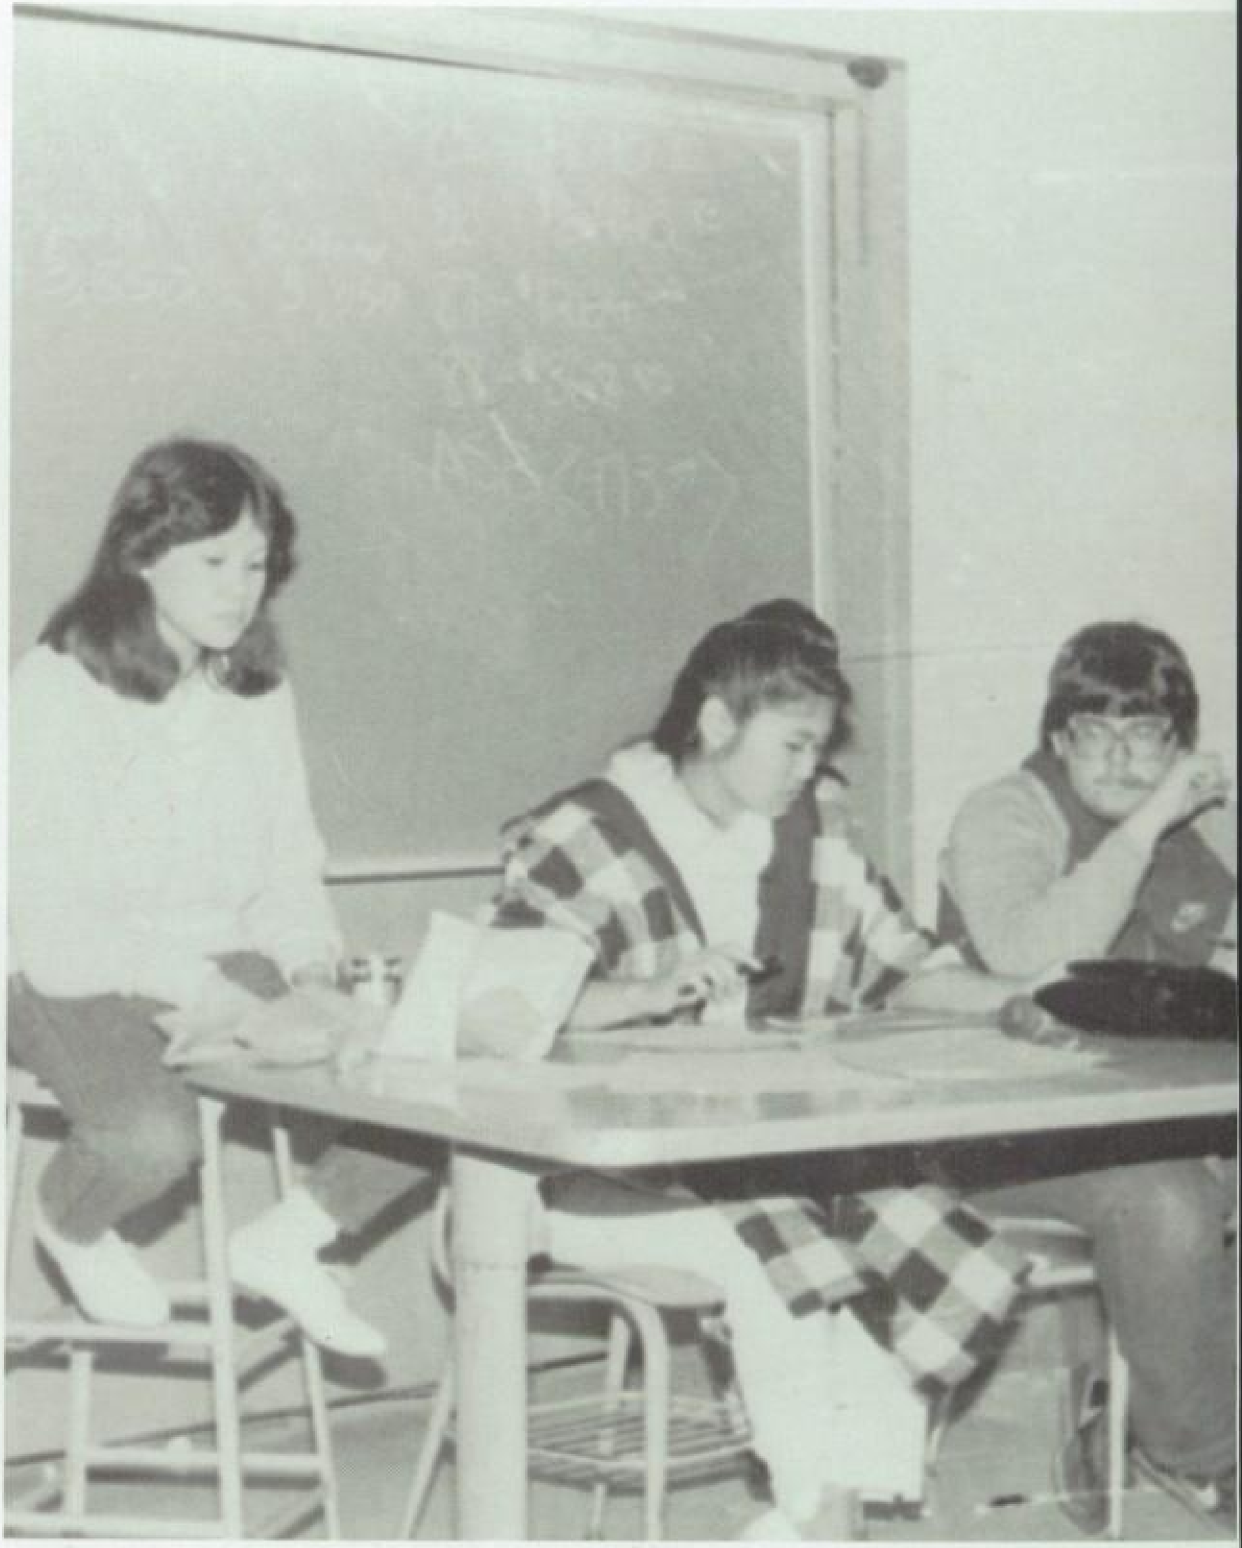
SENATE FIGHTS POOR ATTENDANCE

A quorum must be present for a student senate meeting to be held. At least 15 senators out of 60 must be there. Or everything has to wait until the following meeting.

Poor attendance caused a lot of problems this year. That is why a lot of the motions took so long to go through.

Most of the motions that were approved by senate were admissions prices for games, the selection of the election committee, and approval of accounts and budgets for the ASB and clubs.



Senate officers were Vice President **Maria Fischer**, Assistant Secretary **Gina Ochale**, and Assistant Treasurer **Anna Fejeran.**

SENIORS BREAK OUT THE FUN AND EXCITEMENT AFTER GRADUATION

Each year after graduation, many Seniors plan on going on two trips, one to Disneyland, and the other to Hawaii. Seniors for Disneyland and Aloha seniors are both advised by **Mrs. Vickie Cruz,** registrar. Although these organizations are not school-sponsored, they meet occasionally to discuss fundraisers and ideas for things to do and places to go on the trips.

Meetings for Disneyland were held on Monday nights and Hawaii meetings were held on Tuesday nights.

Seniors for Disneyland planned ideas for Grad Night and had fundraisers such as bake sales, candy sales, Christmas grams sales, and the bike-a-thon.

Aloha Seniors discussed places to go and see while staying in Hawaii for a week. Also, they planned fundraisers to reduce the cost of the trip. It cost $465 per person for a week's stay at Hawaii. The Disneyland trip cost $60 per person.

I should be here

SCIENCE AND MATH CLUB BREAK OUT THE EQUATIONS

This was only the Math Club's second year at North Salinas High School. However, the club's involvement in contests and activities had been such an additive process that even its members can't calculate its increased involvement.

The members of the Math Club had participated in such contests as: the Monthly California Mathematics League Contest in Carmel, the University of San Luis Obispo, and the Mathletics Contest held during the month of April.

The Math Club advisors were **Mr. Paul McCarroll, Mrs. Margaret Boice,** and **Mr. George Roach.**

The Science Club's advisors were **Mr. Jeff Bryant, Mr. Jeff Sweet,** and **Mr. Paul Crosbie.** The advisors helped organize the many field trips that the Science Club members went on this year. The most memorable was their trip to the Monterey Bay Aquarium where they learned much about marine life. Monterey Bay Aquarium workers were very helpful in answering their questions and giving them demonstrations.

The Science Club members had many special guest speakers this year, who talked about various subjects.

CSF/NHS BREAKS INTO THE TOP OF THE CLASS

The largest organization at the North Salinas High School campus was the California Scholarship Federation/National Honor Society. The club has been in existence since 1959. This year the enrollment was up to around 60 members. The advisor for CSF/NHS is **Mr. Natalino Cacciotti.** By maintaining a grade point average of 3.51 or better, a student could become a member.

An annual Spring Banquet was given to honor its senior members. Those who graduated at the highest of their class wore gold tassels and pins at graduation.

This year, the CSF/NHS officers were: President-**Keith Turner,** Secretary-**Kam Lee,** and Treasurer-**Cheryl Horton.**

When asked about how he felt about the organization, President Keith Turner said, "It promotes academic excellence while also giving students a goal to become a member of this elite group."

Cheryl Horton, Kam Lee, and Keith Turner agreed that being in the organization made them feel especially recognized while at the same time offering a service to the community.

STRIVING IN ACADEMICS

The 1984-1985 school year began in April for the 15 candidates, of which 10 would comprise the school's Academic Decathlon team. Similar to the Olympic Decathlon, the students trained in 10 areas of specialization ranging from literature to economics to preapring a speech over the summer. Once school began in late August, the students met every lunch hour for intense study under the direction of Coach **Darlene Andreotti** and Assistant Coach **Dee Dee Loe,** in preparation for the November 17 competition at Salinas High School.

The team, consisting of 3 students of 3 different grade point levels boasted **Kam Lee, Angela Delgado** and **Maria Fischer** in the Honors level; **Anna Monares, Mimi Sluis** and **Ken Caveney** in the Scholastic level; **Christy Chavarria, Debbie Umbaugh,** and **Don Ford** as Varsity competitors, with **Mike Jones** as team alternate.

The climax of the day of competition occurred when **Mel Schaumaker,** coordinator of the County Competition declared North Salinas High School had won, and earned the right to compete in the state finals during Winter Break.

Preparation continued into December and on December 27, the team traveled to Orange California, where they placed as the 22nd best academic team in the state.

North Salinas' AP club boasted thirteen members to take the Advanced Placement exams. To raise money to take the test, the club members sold candy and took the revenue of parking at the season's basketball games.

Club President **Bret Swain** said that the overall attitude of club members was togetherness in that no one person worked for only himself.

Persons passing the tests in either English, American History, European History, or Chemistry were given scholarships by club advisor **Mr. William Baxter** as an effort to encourage commitment to learning the various fields of specialized study.

FALL CHEERLEADERS BREAK OUT THE VIKING SPIRIT

"Gimme a V, gimme an I, gimme a K . . . !" Rain or shine, these cheerleaders are out there cheering on their team. They're out there to represent the school and spreading school spirit. School started even earlier for these girls due to practices during the summer. It takes a lot of time being a cheerleader. Being at practices, making treats for the players, and doing fundraisers but it is all worth it to them.

Though the group works together, there are four different squads. With the Varsity Volleyball and Football teams as MBL champs and in CCS playoffs, the Varsity Squad (V) were pretty busy. "We were unique, different, talented, and we were bad!", says Dee Dee Harvey and Lisa McGarry. With the Junior Varsity teams also MBL champs, the Junior Varsity (JV) squad was also busy. "We all worked well together because of our talent and love for cheerleading," says Jennifer Paulin. Last year, the school didn't have a Freshman (F) squad, but they returned this year with a fantastic squad. Marlo Torculas commented, "We weren't just a cheerleading squad. We were a group of friends who had fun in and out of school." Speaking of freshmen, who can forget the freshmen orientation when the Pom Pom (P) squad did a routine to "Party Train" in togas because their uniforms didn't arrived yet. "We all got along so well. What one person couldn't do, someone else can so everyone brought something to the squad," says Karen Flake.

"They're great! We had a lot of new girls on the squads that lacked experience, but they made up for it with spirit and enthusiasm."

CHEERLEADERS BREAK INTO ACTION

Being a cheerleader is not as easy as it looks. Along with two or three games a week, there are many hours of hard practice between performances. Also each cheerleader makes posters, works at fundraisers, and provides snacks for the teams.

The Varsity Squad consisted of **Monica Ferroni, Lisa Flores, Amber Griffin, Lori Holt, Jill Legault** and **Allegra Stone.**

The J.V. Squad consisted of **Tina Scariot, Lora Cruz, Tyna Naval, Lehua Francisco** and **Beverly Najera.** The Freshman Cheerleaders were **Heidi Shufeldt, Lianne Avila, Amy Zimmerman, Ui Afoa, Gina Cornejo** and **Kristi Roberts.**

RIFLE CLUB HAS A BANG OF A YEAR

The rifle club had a very good turnout this year. There was enough girls to have both a girls, and a boys team. There are 5 experts on the team, and the rest of the team is between a pro mark and an expert.

The members practiced at the Artichoke Range in Castroville. This practice can help them win medals at D.C.M. matches, and at away matches.

The members competed in Sacramento in February, and traveled to Lodi in March. **Mr. David Hershberger** said, "Best club in the school."

SKI CLUB SLIDES THROUGH THE YEAR

The ski club had a very good and successful year. Because of the early abundance of snow the first trip to Squaw Valley was a big success. The club has approximately 200 members, with new eager beginners joining every year. All the beginners took lessons on the first trip, while the more advanced skiers took to the intermediate, or even expert runs. Because of all the new members joining every year, the ski club will soon grow to one of the biggest clubs at North Salinas. The ski club also went to Heavenly Valley in February, and a one week trip to Utah during Easter vacation.

FFA BREAKS INTO AGRICULTURE

The Future Farmers of America is one of the largest organizations at the North Salinas High School campus. Many students are enthusiastic with agriculture and farming. This enthusiasm prompts them to engage many activities. They go to fairs such as the Monterey County Fair, Santa Cruz County Fair, and the Salinas Valley Fair. The FFA members participate in contests in several categories, such as florestry, ag mechanics, horse teams, vegetable teams, and livestock. Many of the members win with honors in their categories.

The FFA organized activities during the 1984-1985 year. They sponsored the King and Queen of Hearts dance and every year they have Donkey Basketball game. They ride donkeys and play with other FFA groups from other schools. During Christmas, they had a Christmas banquet. Mr. **Terry Hickinbotham, Etta Phillips's** uncle, was Santa Claus. During January, the FFA members planned on a ski trip and they also participated in a Monterey Bay FFA section Roller-skating Night. The FFA members enjoy the activities they do.

This year's FFA officers are President-**Esteban Morales,** Vice-President-**Andrea Williams,** Treasurer-**Bart Walker,** Reporter-**Bart Haycraft,** and Sentinel-**Kelly Miller.**

BREAKIN IN THE NEW TECHNOLOGY

The Computer Club was added to the North Salinas High School campus for students who were interested with the new computer technology.

The club was advised by Mr. R.C. Giles, and composed of twelve students.

The Computer Club met occasionally during lunch in Room 411 to discuss ideas about computers. The Computer Club members were allowed to go to the computer room at lunchtime to work on computer programs and any other computer-related activities. They made games, graphics, and other computer programs. During the month of November, the Computer Club held an Arcade Day and charged 50¢ to play computer games. The money was used to buy computer software.

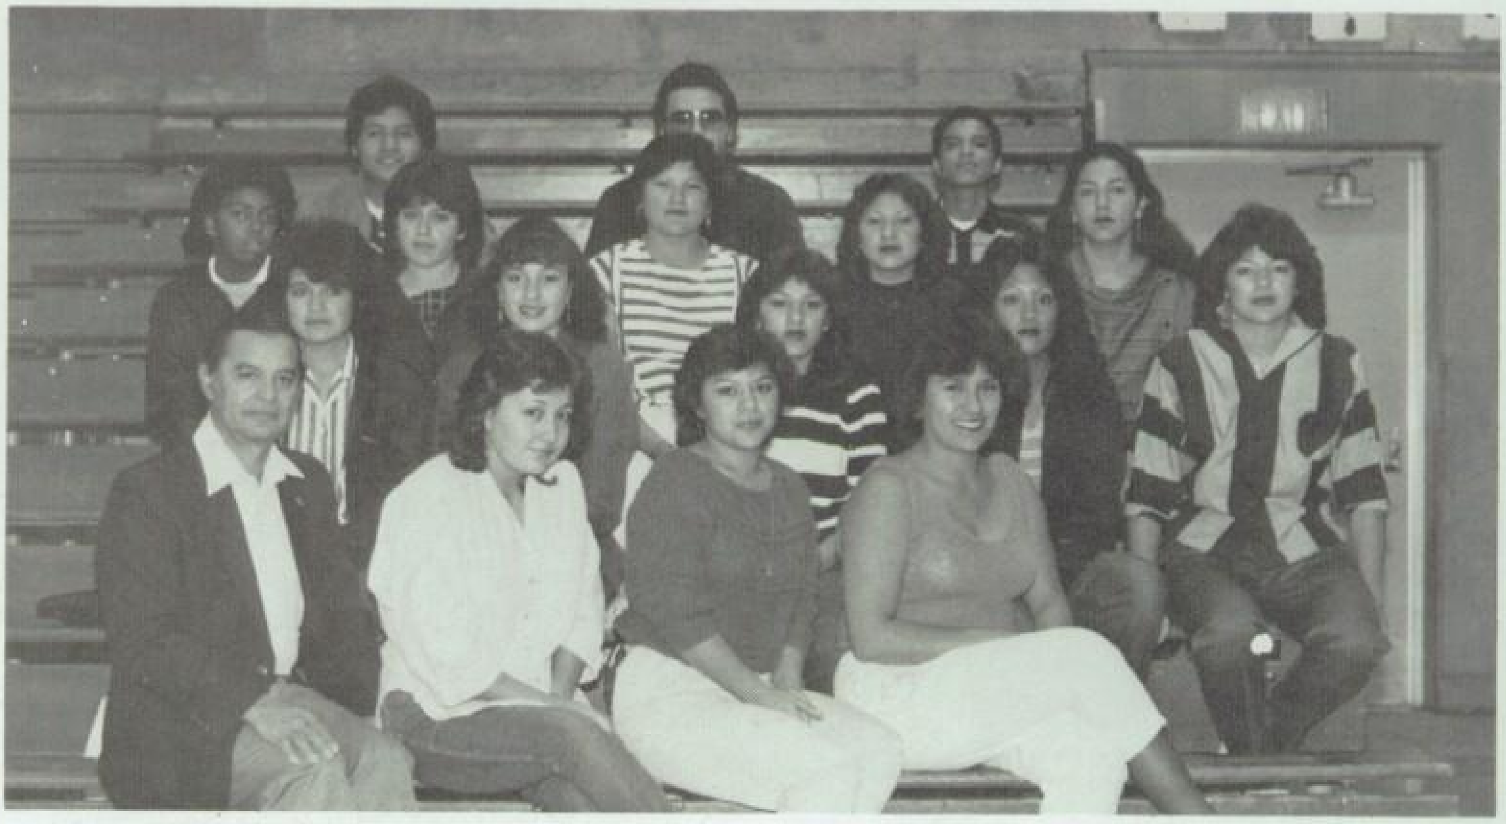
UNITED PRIDE STRIVES FOR QUALITY



The United Pride Club was founded last year on the basis of friendship, unity, and brotherhood. The club's goal was to expand the warm, supportive feelings of being a Viking to the soul of all North High students. Enjoying working together, the club had many plans to grow in pride, maturity, responsibility, and tolerance.

Members of the club planned fun activities for the year. A trip to Fresno State University in early January was their main activity. Three to four thousand youths from all over California gathered for a Career Orientation. They also planned a field trip to the largest acquarium in the United States, the Monterey Bay Aquarium. The club in conjunction with the International Club put on a free assembly with international flavor.

VARSITY VIKINGS HANG THE COWBOYS FOR MBL CHAMPIONSHIP AND ADVANCE TO CCS PLAYOFFS.

The helmets of the North High football team are decorated with decals for outstanding play throughout the season. This wasn't your typical North Salinas football team. They displayed the power and reputation they have earned. These young men, operating as a team, served warning that they were ready to challenge for the Monterey Bay League title. And sure enough, they got it. The brutal Viking season, after ten grueling games, came to a sudden halt.

On defense, senior tackle, **Buddy Gilmour,** helped hold Salinas High to 147 total yards of offense as the Vikings became co-champions of the MBL with a 25-8 victory. After 48 minutes of football, the Central Coast Section Playoff game against Prospect was deadlocked at 17-17. The Vikes broke the tie in an overtime decision and earned the right to compete against Bellarmine. The Vikes suffered a painful loss which ended the 1984-85 season with a 7-3-1 record.

The Vike running game was in high gear with both **Demetrius Brown** and **Eddie Bueno.** The same names lead the inspiring offense. In addition to Brown and Bueno, **David Keating** and **Keith Turner** had superior games. Turner to Keating was most definately the "bread and butter" of the season.

North High returned four starters at the skill positions which gave the Vikes a boost both offensively and defensively. In the offensive backfield, **Demetrius Brown** and **Kevin Waddle** returned after killer junior seasons. At quarterback, **Keith Turner** was the favorite after starting part-time his junior year. Turner's favorite target, **David Keating,** was a main offensive spark for the team and the fans. **Don Smith** headed the returnees of the offensive line. **Aaron Stanton** was a tremendous boost for the defensive team at linebacker. Seniors **Mike Trask** and **Nick Ugale** anchored the rebuilt North High defensive line. In the defensive backfield, **David Keating** headed the list along with **Bubba Grijalva.** The Vikes relied on **Pat Hernandez** at linebacker spot along with **Aric Gnesa.** Of course, we can't leave out the most valuable fieldgoal kicker of the MBL. As the first time ever playing American football, **Jakob Hansson** rarely missed a target.

J.V.'S CAPTURE MBL TITLE

The Junior Varsity football team may have had a shaky start, but ended up being the MBL Champions.

With the passing of **Mike Moats** and running of **Larry Palma,** they seemed a sure pick for the Monterey Bay League Championship. Moats' passing totaled 1,000 yards this season, and Palma's rushing totaled 1,100 yards. **Put Durham** made some outstanding catches this season.

A strong defensive line was led by **Bill Pibble, Mike Hagar,** and **Marc Mungaray.**

On the whole, the Junior Varsity football team had a very successful season. The head coach was **Mr. Chuck Norian.** The assistant coaches were **Mr. Dante Encalado, Mr. Bob Garcia,** and **Mr. Stan Piffaro.**

FROSH WIN SEVEN, DROP ONE

The 1984 season was a banner year for the Viking Frosh football team. The young Vikings barrelled over their first four opponents, before they were defeated by Gilroy for their one loss of the season. The Vikes bounced back, prevailing in their last three games, to finish the season with a 7 - 1 overall record. Highlighting the season were three shut-outs, including the 38 - 0 touncing of cross town rival, Salinas High.

Quarterback **Dennis Newman,** also team MVP, commented, "It was mostly up to team whether they wanted to win or lose." **George Chavez** (defensive MVP), **Mike Armenta,** and **Dennis Newman** all agreed that the sweet victory over Salinas High was the best game. In the Salinas High game, Dennis threw four touchdown passes, and George made two touchdowns. At the end of the season, George said, "We won, lost, and played like a team," giving credit where credit is due.

NORTH HIGH VOLLEYBALL TEAMS BREAK ALL PAST RECORDS OF SUCCESS

For the first time in North High's history both the Varsity and Junior Varsity teams were undefeated champions of the Monterey Bay League. Also, this year there was a lot of spirit and confidence coming from the players, coaches, and especially from the N.S. fans.

The awesome varsity team was not only rated one of the eight top teams in Northern California but also captured the title of Southern Division 2, champions of the Central Coast Section. The mighty team ended with a league record of 12-0, and a 15-1 record, overall. J.V.'s ended up with a 12-0 league record also, and a 13-3 record, overall.

The Varsity team defeated King City which led them into the C.C.S. finals. After crushing Harbor High, the team advanced to the C.C.S. Championship game against South City High, from S. San Francisco, which they unfortunately lost. Although North High had lost they still went on to compete for the Northern California Championship against El Dorado High and were again defeated.

Both the varsity coach **Mrs. Margy Silveria** and J.V. coaches **Gloria Flores** and **Lynne Purcell,** were very proud of their teams and themselves for such an outstanding season.

CROSS COUNTRY BREAKS AWAY

The girls cross country team has had an exciting season this year. During their first competition, the Vike girls beat Live Oak 39-36 with outstanding athletes **Merry Gourley, Debbie Earl,** and **Loretta Van Pelt** taking third, fourth, and fifth places. The rest of the season went well for our girls, with an MBL record of 3-2. After the closing of the season, a few of the runners were given awards. Most valuable player was **Debbie Earl,** most improved was **Rachel King,** and most Inspirational was **Debbie Umbaugh.**

The boys cross country team did excellent this season. We had many outstanding runners on the team. Two of the most outstanding were **Tony Driver,** and **Ramon Ramirez** who placed no lower than third throughout the season. Ramirez even set a new record of 17:33 at the Toro Park course, when our Vikes ran against Seaside. Their final record for the season was four wins and one loss.

The MVP for boy's varsity was **Ramon Ramirez.** The most improved was **Robert Hoffman,** and the most inspirational was **Cesar Esparza.** The MVP for boys JV was **Sal Perez,** most improved was **Chris Fontes,** and Most inspirational was **Richard King.** Special thanks to **Coach Doug Edwards.**

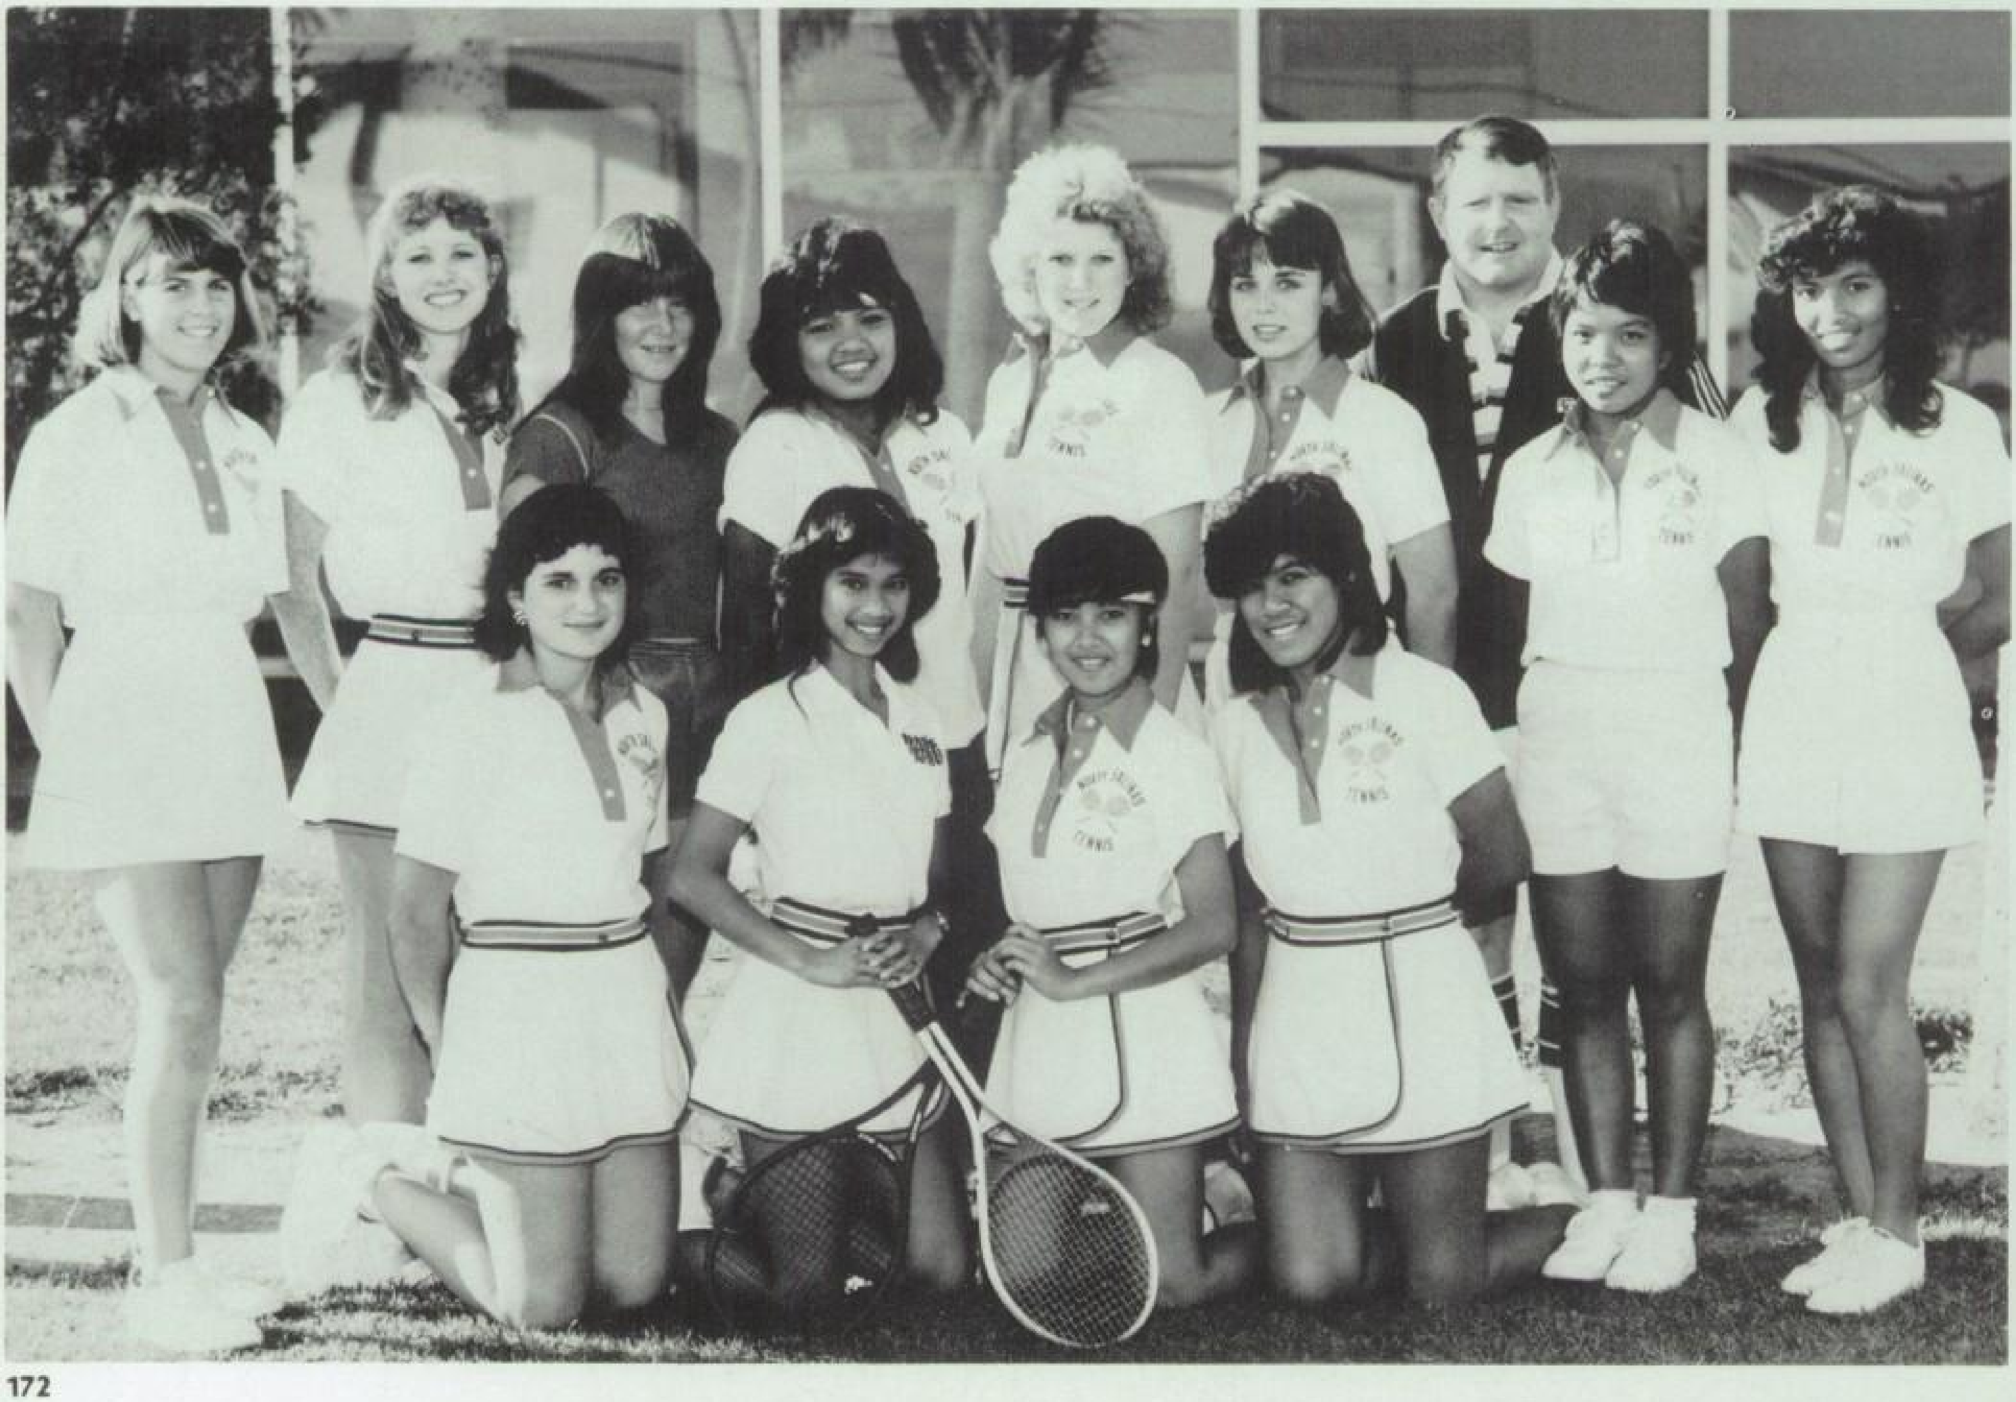
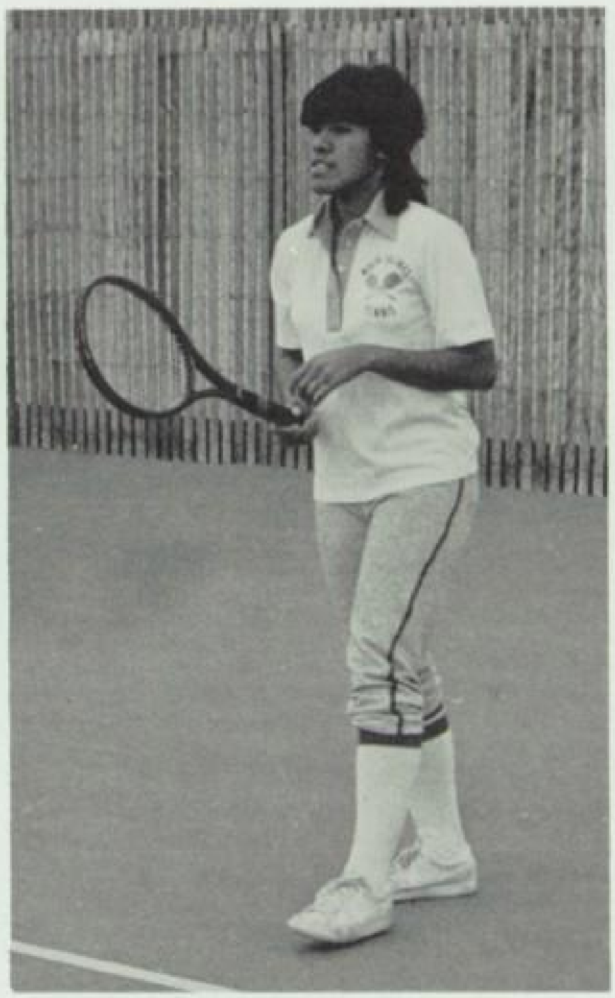
VIKE NETTERS BREAK INTO ACTION

1. After a rough match, **Lori Holt** takes a breather.
2. **Michelle Orlanes** warms up for a big game.
3. **Gemma Arde** races to return the ball.
4. Front row: **Suzanne Mendes, Vicki De Mateo, Lira May Cafe, Michelle Orlanes.** Back row: **Erica Mustain, Jana Milner, Lori Holt, Gemma Arde, Karen Caveney, Kristi Roberts, Joe Rice** (coach) **Belinda Arciaga, Christine Pfondevida.**





The North Salinas tennis team started out the season with determination and ambition, but unfortunately they ended the season with a 5-win, 7-loss record. Their favorite matches were the games they won and the team felt that the matches against the Top MBL teams were the most difficult.

The team played a series of round robin matches consisting of three games each, and the player winning the most games was seated at the top ladder position. The varsity team occupied the top ten ladder positions.

North High's entire tennis team consisted of five seniors, five juniors, five sophomores, and two freshmen. On the JV team, **Karen Caveney** received the award for the most valuable player. On the varsity team, the most valuable player was **Gemma Arde.** The most improved players were **Lori Holt** and **Michelle Orlanes.**

GIRLS SWIM TEAMS

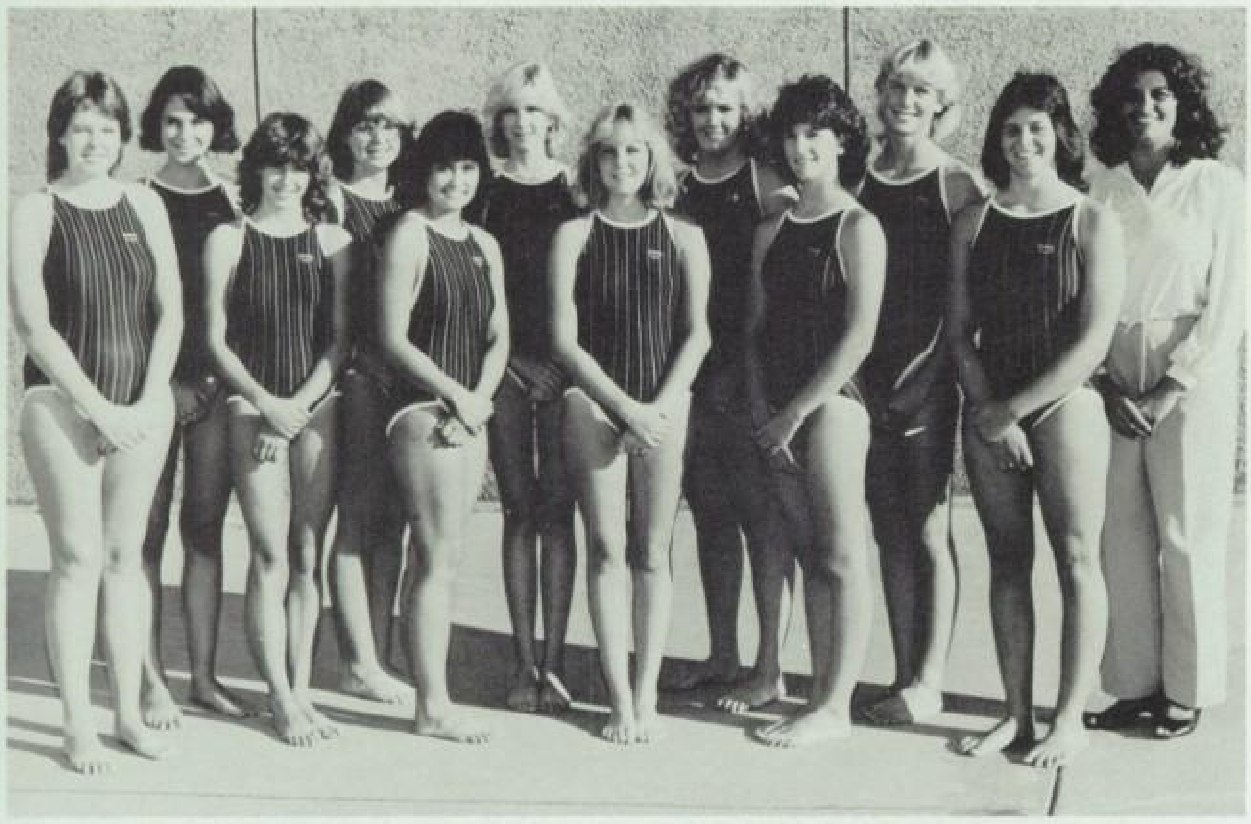
The J.V. swim team showed what they were made of this season. At the Hollister meet, freshman **Samantha Singley** finished the 50-meter breast stroke in 46:03 and the 100-meter breast stroke in 1:42.12.

Times like these were what made the JV's outstanding. Like the Varsity, the JV's made it to the Monterey Bay League and the Central Coast Section playoffs.

JV Swimmers: front row: **Esther Reyes, Rayne Hawthorne, Renee Soto, Dawn Henry**; 2nd row: **Melanie Carson, Gabby Tovar, Vickie Washington, Lisa Maxson, Lupe Perez, Cathy Smith, Jessica Hayes**; 3rd row: **Mrs. Mary Ann Traylor, Samantha Singley, Darlene Chester, Kelly Finatti, Tina Fisher, Peggy Nicolette**; Not pictured: **Danna Collison, Lisa Henkeneyer.**

SWIMMERS BREAK AWAY

Varsity Team members from left to right: **Meg Benjamin, Lisa Bookwalter, Andre Chapman, Susan Springs, Malanie Salas, Janie Hawthorne, Kimberlee Jackson, Sharon Brown, Brooke Campbell, Rhonda Von Soosten, Paige Campbell.**



The varsity swim team had a great season. Returning team members **Paige Campbell** and **Rhonda Von Soosten** gave the team that extra edge that enabled them to get ahead.

The team won their way to the Monterey Bay League meet and the Central Coast Sectional playoffs which were held at Stanford University.

SWOOOOOOSH

Through deafening crowds and unbearable pressure, North High thrilled their fans all season long. The crowd was brought to it's feet with excitement as returnees **Jens Gordon, Jeff Foster, Carlos Ballesteros, Keith Turner,** and **Gus Garibay** controlled the tempo.

In the sweat palace known as the North Salinas High School gym, the overpowering team exploited almost every team they faced. They performed excellent inside moves, outside shots; short jumpers, high jumpers; over-the-shoulder dunks, and two-handed slam dunks.

This year was another great season for the Vikings. They dominated the Monterey Bay League for the second year straight.

Coach Steve Blaser had a well-stacked team to work with. They were prepared to defend the M.B.L. and C.C.S. honors, with the help of **Derek Lohuis, Eric Tillery, Vince Fultz, Todd Wheeler, Mike Tucker,** and **Mike Umamoto.**

Since the Depth of the team was so talented, the bench was usually the second best team in the gym. Overall, the Varsity Vikings of 1984-85 were all-around champs!

"The '85 season was successful because of teamwork and the unselfish attitude of each member of the team."

Vikes Go Undefeated

Jens Gordon, pictured right, was named the Central Coast Section Player of the Year after the Vikings fought their way to the Northern California Championship tournament. The Vikings' 24-game winning streak ended in a heartbreaking loss to Rio Americano of Sacramento, making the Vikings second place in Northern California.

Gordon was also nominated to the MacDonald's All-American team. Jeff Foster was also named in the All-Central Coast Section basketball team, division two.

The season was the greatest ever for the Vikings or for any Salinas Valley team. Over two years the Vikings compiled a 45 win, 6 loss record. North High won the last two MBL titles, southern zone section crowns, and Division II championships.

2. Jens (3D) Gordon MVP in the MBL, shoots for two once again.
3. Carlos (Ninja) Ballesteros up for the rebound.

This season, the Varsity Vikings went undefeated. No team in the MBL had enough drive to overpower the Vikes.

Jens Gordon was a great part of the reason North High qualified for the CCS playoffs. He was chosen most valuble player of the MBL along with **Derek Bruton** of Gilroy. **Jens** averaged nearly 20 points and 17 rebounds a contest as he keyed North High's perfect MBL season. 6-foot-9, **Jeff Foster** was also selected for the first team. **Derek Lohuis** was an honorable mention pick and coach **Steve Blaser** was chosen coach of the year.

FROSH BASKETBALL BREAKS IN WITH TALENT

Practice makes perfect they say, and that certainly is true about this year's Frosh Basketball Team. This team had a fantastic pre-season. They came in first with a record of 11 wins and 1 loss which was against Cupertino.

They were equal in offense and defense which made them a great team. To them, Palma was the toughest team to beat but they managed to over-power the Chieftans. "We're bad! We all get along and help each other. We're good enough to be M.B.L. Champs," says **Chuy Esparza,** one of the players. **Craig Rousch, Thomas Cabanilla, Jim Kaiser, Chuy Esparza** and **Elroy Harrigan** were the top scorers most of the time. But the group worked as a team which gave them the confidence to be on top.

Coach Cruz, aside from his own job, shows these boys how it's done and works them out hard in the process on his own time. Thank you very much, coach!

"The best way to describe this year's team is "talent". We have quickness, speed, and intelligence throughout the entire squad. GIRLS VARSITY BREAK OUT IN STYLE

The North Salinas High Girl's Varsity Basketball team had a very good pre-season. Two outstanding players were **Tina Parker,** and **Teresa Raine,** although all of the players were outstanding. These two girls led the team as high scorers, and together made most of the points during each game.

But the team would not have done well at all if it didn't have team work. Team work is the number-one priority for any successful team, and our girls certainly showed a lot of it.

One other major element for a successful team, is a good coach, and Coach **Art Gilbert** helped to tune-up the team's playing skills. The next season looks promising, because of the experience the team has received.

1. **Amy Becker** goes up for the shot. 2. **Vicki Washington** shooting past an opponent. 3. North High players wait for the tip.

GIRLS' J.V.S BREAK INTO ACTION

Shawna Holbrook, a sophomore whose positions varied, proved to be a strong asset to the Girls' J.V. basketball team. Freshman, **Brooke Campbell** had good rebounding and shooting this season. The team's defense was quick and aggressive. **Dayna Arneecher,** a freshman forwarding guard, said that the offense improved a lot since the beginning of the season and the team worked together more than ever. The Vikings were impressive in defeating Salinas High, 36-21. The most challenging game was with Seaside, which was lost, 20-47. The Vikings accepted defeat after a tough game. With a coach as good as **Jackie Sabado,** the team stayed fit, physically and mentally.

BREAKING OUT WITH ENERGY

Our Field Hockey team was enthused by the excitement of winning, by the struggling practices to defect their opponents. Field Hockey is an energetic, body blocking action packed sport. Along with it is the cooperation and learning to work together as a team.

The object of the game is to score upon the opposing team by putting the ball into the goal cage, as done by **Cheryl Horton, Jackie Ball,** and **Jana Milner;** who scored many goals for the Vikes. Varsity was composed of almost all returning players which made their skills and abilities more knowledgeable. As shown in their aggresive forward line, which was backed up by the duo of halfbacks and protected by the defensive positions with great intensity.

"I think we have just as much fun at practice as during the games . . ."
Jana Milner (Var.)

"We help and encourage each other to try and do their best!"

TOUGH BREAK FOR MATMEN

For the past two years, our Viking wrestling program has been at a rebuilding stage. They are having a difficult season. The main problem is inexperience. Most of this years wrestlers are young and are faced with the problem of having to compete against experienced teams from an always tough Monterey Bay league. Things look better for next year as most of the Vikes are under classmen as opposed to other teams in the MBL who have teams that are loaded with seniors.

Juan Delgado, a first year wrestler on the junior varsity team, captured first place in the 145-pound weight class at the Monterey Bay League championship tournament.

A freshman, Juan was undefeated against wrestlers from such schools as Watsonville, Monterey, Gilroy, Seaside, Salinas, and Live Oak.

Also competing in the MBI tournament were varsity wrestlers **Ted Nicolette,** heavyweight class; **Nick Ugale,** 132-pound class; **Jerry Jones,** 190-pound class, and **Frank Navarro,** 114-pound class. The first three went on to compete in the Central Coast Section championship tournament.

The varsity coach was **Vern Baxter.** J.V. coaches were **Art Berlanga** and **Larry Green.**

Varsity team: Front row: **Jaime Ybarra, Aaron Toy, Dean Hubach, Robert Sandoval, Frank Navarro, Steve McFarland.** 2nd row: **Joe Zimmerman, Mike Jones, Ted Nicolette, Juan Delgado, Brett Swain,** and **Joey Rodriquez.**

PROMISING SEASON FOR VARSITY BASEBALL

The 1985 Varsity baseball season looked promising. The squad had 5 returning starters from last year's CCS team: **Kevin Waddle, Ernie Medina, Vince Fultz and all-leaguers Don Ford,** and **David Keating.**

All three pitchers returned from last season.

Several J.V.'s from last year are expected to see plenty of play time including catcher David Mason, third baseman Carlos Ballisteros, and outfielder Eddie Bueno.

North High finished its pre-season at 7-1 and was ready to challenge for the league title.

J.V. TEAM ADDS BEST FRESHMEN

Under the outstanding coaching of **Frank Grijalva,** and **Dave Escalante,** the J.V. baseball team had a very good year.

Because of the elimination of the freshman baseball program this year, all the freshman players had to try out for the J.V. team. The ones who "survived" the immense competition, gave the team a lot of depth.

Second year catcher **Jeff Pohl** commented, "We have a lot of talent on the team. If someone is having a bad day, there was always someone there to pick them up. That's good for a team."

The team had a tough task to keep the winning tradition alive. The last two J.V. teams took the M.B.L. title. They all feel they have a good chance.

The team had an overall pre-season record of 4-3, with victories over Santa Cruz, King City, Gonzales, and Alisal.

GIRLS TEAM BREAKS AWAY

Usually on any type of team sport, there is always one person who is considered "Most Valuable Player" by the whole team. On North High's Girls Varsity Softball team, you could consider them a "Most Valuable Team," since every player performed excellently throughout the season.

Awesome talent wasn't the only positive element. There was also a lot of enthusiasm among the members of the team. including the girls' coach, Mr. Chuck Noroian.

Team members were **Dana Arneecher, Teresa Raine, Heidi Baxter, Teri Fitzpatrick, Trisha Ford, Gina Garcia, Jodi Gunter, Debbie Gutenkunst, Julia Hanson, Lori Holt, Candy Kinn, Teresa Mayes, Kim McCrumb, Ginger Pacheco, Rami Smith,** and **Melanie Salas.**

GETTING A GLOVE ON SOFTBALL

Once again led by **Margy Silviera,** the Junior Varsity Softball squad was a high powered, run producing team. Behind the arm of pitchers **Eric Larson** and **Shawna Holbrook,** the Vikings compiled an exhibition record of 8-2.

The North Salinas tournament in late February gave the young players their first opportunity to prove themselves. They decisively won two and dropped one, in coming in second in the tournament. They went to double digits in games against Alisal and also in the Gilroy Tournament, where **Bernice Medina** was named tournament Most Valuable Player.

The winter season then followed, as games against Carmel, North County, Los Altos, and Saint Francis were cancelled due to the rainy season.

TRACK TEAM BREAKS THE TAPE

This year's track team was composed of a medley of different athletes, but when it came to working together, the team became one body. The varsity girls distance runners were quite good, especially at the 440 yard and mile run. **Tina Parker** was a strong asset when it came to the 330 yard low hurdles. Outstanding distance runners for the girls' were **Loretta VanPelt,** and **Debbie Earl;** for the boys, **Ramon Ramirez. Demetrius Brown** proved himself more than capable as a hurdler. **Merry Gourley** conquered the triple jump as did **Julius Esparza** with the long jump. Frosh-soph track claimed victory over Seaside, as well as Monterey. The head coach for boys was **Mary Beguhl,** and for the girls it was **Donna Grijalva.**

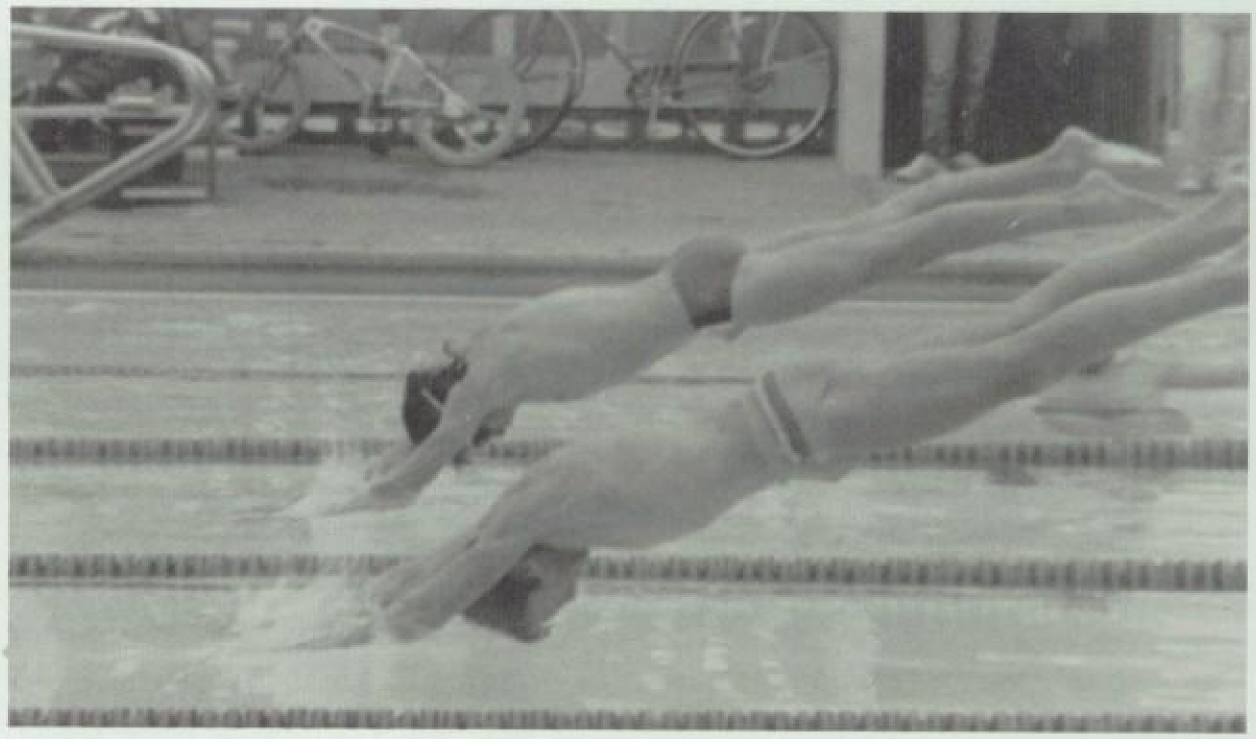
VIKES BREAK WAVES

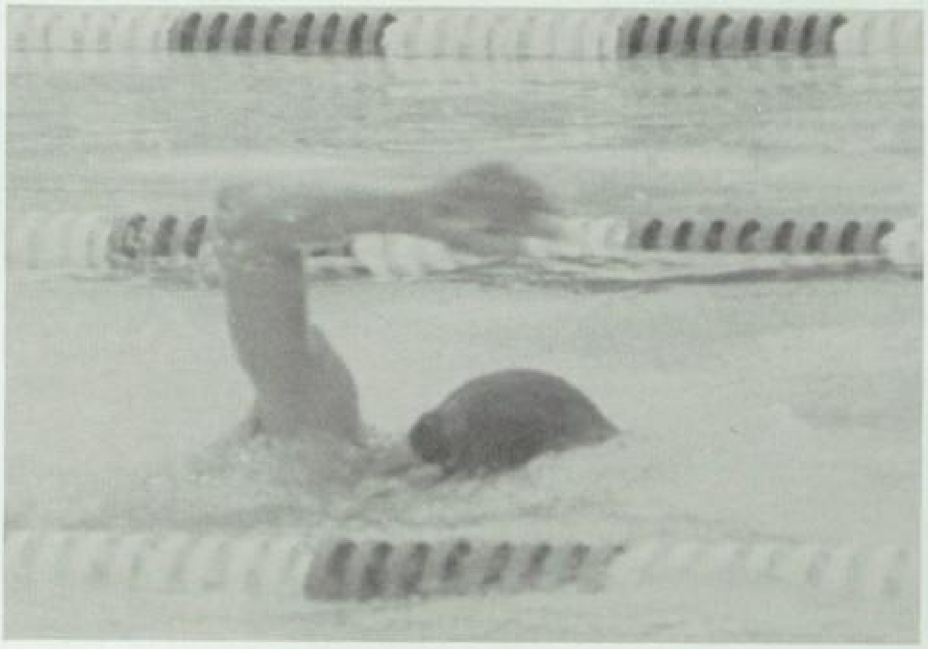
This year's swim team had only three returning members: **Ken Frederickson, Kevin Lord** and **Kevin Frederickson.** There were many newcomers to this year's team but as coach **John DeLorean** said, "It may be a young team, but the men are really involved with what they're doing. We're involved with what they're doing. We're looking forward to a fine season."

All season long, the morale was high and the team was optimistic. The fine sportsmanship expressed at meets became a trademark.

The main goal was to send three or four swimmers to CCS competition.



1. **Kevin Frederickson** competes against Seaside in the breaststroke.
2. **Paul Becker** (in background) begins his swim for victory.



3. **Kevin Frederickson** gets ready to start another race.
4. **Ken Frederickson** swims toward the finish line.

2. Singles player **Tom Esmerelda** stands prepared to return the serve.
3. Dexter Devera concentrates on his serve in a match with Salinas High.
4. Number one seed **Eric Vargas** prepares himself mentally before each match.
5. Matt Powelson at the net against Monterey.

Through tough coaching, total committment and shear determination the Viking tennis teams were able to perform to their best ability on their way to a great season.

The Vikes were able to use sharp skills and quick thinking to overpower their competion.

Coach **Robert Steinbeck** and returning players helped give the newcomers advice and support.

BIG FINISH FOR SOCCER TEAM

This season proved to be an interesting one for North High. There were numerous disappointments, but a satisfying conclusion to the league program. For a team fielding many freshmen and schooled by a first year coach, the team performed creditably.

As the season reached its climax, we put together three excellent performances, winning our last three games and securing a share of third place in the MBL.

Jakob Hansson- the Swedish scoring machine, he cracked in 14 goals this season.
Tino Castro- the other half of our dynamic forward duo, good for another 11 goals.
Ramon Ramirez (Vice-captain)- A superb year in defense and midfield.
Cesar Esparza (captain)- An inspiration with his skill, courage, and unbelievable energy in attack, defense, and midfield,- in fact, everywhere!

Kim Cathrein cringes as missed putt sent her down to defeat in finals.

North High's Cathrein just misses golf history

PEBBLE BEACH — North Salinas High student Kim Cathrein, 17, was on the verge of becoming the youngest player ever to win the California Women's Amateur Golf Championship. But instead, history was made by 26-year-old Sue Tonkin of Australia.

Tonkin, a pharmacist from Australia, became the first foreigner to win the event Sunday when she beat Cathrein, 3 and 2, on the Pebble Beach Links.

Nevertheless, Cathrein becomes the youngest player ever to reach the finals of the event.

Tonkin went 1 up at the eighth hole despite putting her second shot into the sea. She got onto the green in four and made a 15-foot putt for a bogey 5. Cathrein, who would have become the youngest champion since Amy Alcott in 1973 by 24 days, took a double bogey.

"It (No. 8) was the turning point," said Tonkin. "I looked like I would lose it and then I won it. I went from 1-down to 1-up."

Cathrein was never able to rebound from her experience on No. 8. She three-putted from 45 feet on No. 10 to go 2-down and went 3-down on No. 12 after three-putting from 40 feet.

The Australian, whose home town is Adelaide, recorded pars on the final seven holes of the match, winning the 10th and 12th.

The match ended on the 16th hole, a par 4. Tonkin placed her second shot about 40 feet from the cup. Cathrein sent her ball over the green with a seven-wood and it landed on the fringe just short of a bunker. Tonkin putted to within four feet, then Cathrein chipped to within two feet. Tonkin sunk her putt to win the match.

Tonkin, playing for the second time in the 18-year-old California event, eliminated defending champion Dr. Pat Cornett, a North Salinas High grad, in Saturday's semifinals. Tonkin lost in the semis last year.

Cathrein defeated Deborah McHaffie in Saturday's semis 1-up.

VIKING 3RD AT MEET

North Salinas High Viking **Rhonda Von Soosten** placed third in the 100-yard freestyle at the NorCal Senior Short Course swim invitational, which concluded at Salinas Municipal Pool. She is pictured below.

Von Soosten, a junior, clocked 53.1 in the 100 free.

More than 600 swimmers, representing more than 40 clubs, competed in the three-day event.

Olympic gold medalist **Carrie Steinseifer** was second in the 100-freestyle event won by **Lisa Dorman.**

Von Soosten made the finals in six events. She took fourth-place finishes in the 100-butterfly (58.1) and the 200-butterfly (2:09.5).

Another North High swimmer. **Paige Campbell,** was seventh in the consolation finals in the 50-freestyle. Campbell's time of 25.1 was a season's best.

Ken Fredrickson, 17, of North Salinas, turned in personal best in the 100-breaststroke. Fredrickson was timed in 1:06.5.

San Jose Aquatics was second with 471 points.

Stan Uchiyama and John Bernardi, mentor teachers, discuss their responsibilities.

MENTOR TEACHERS CHOSEN AT N.H.

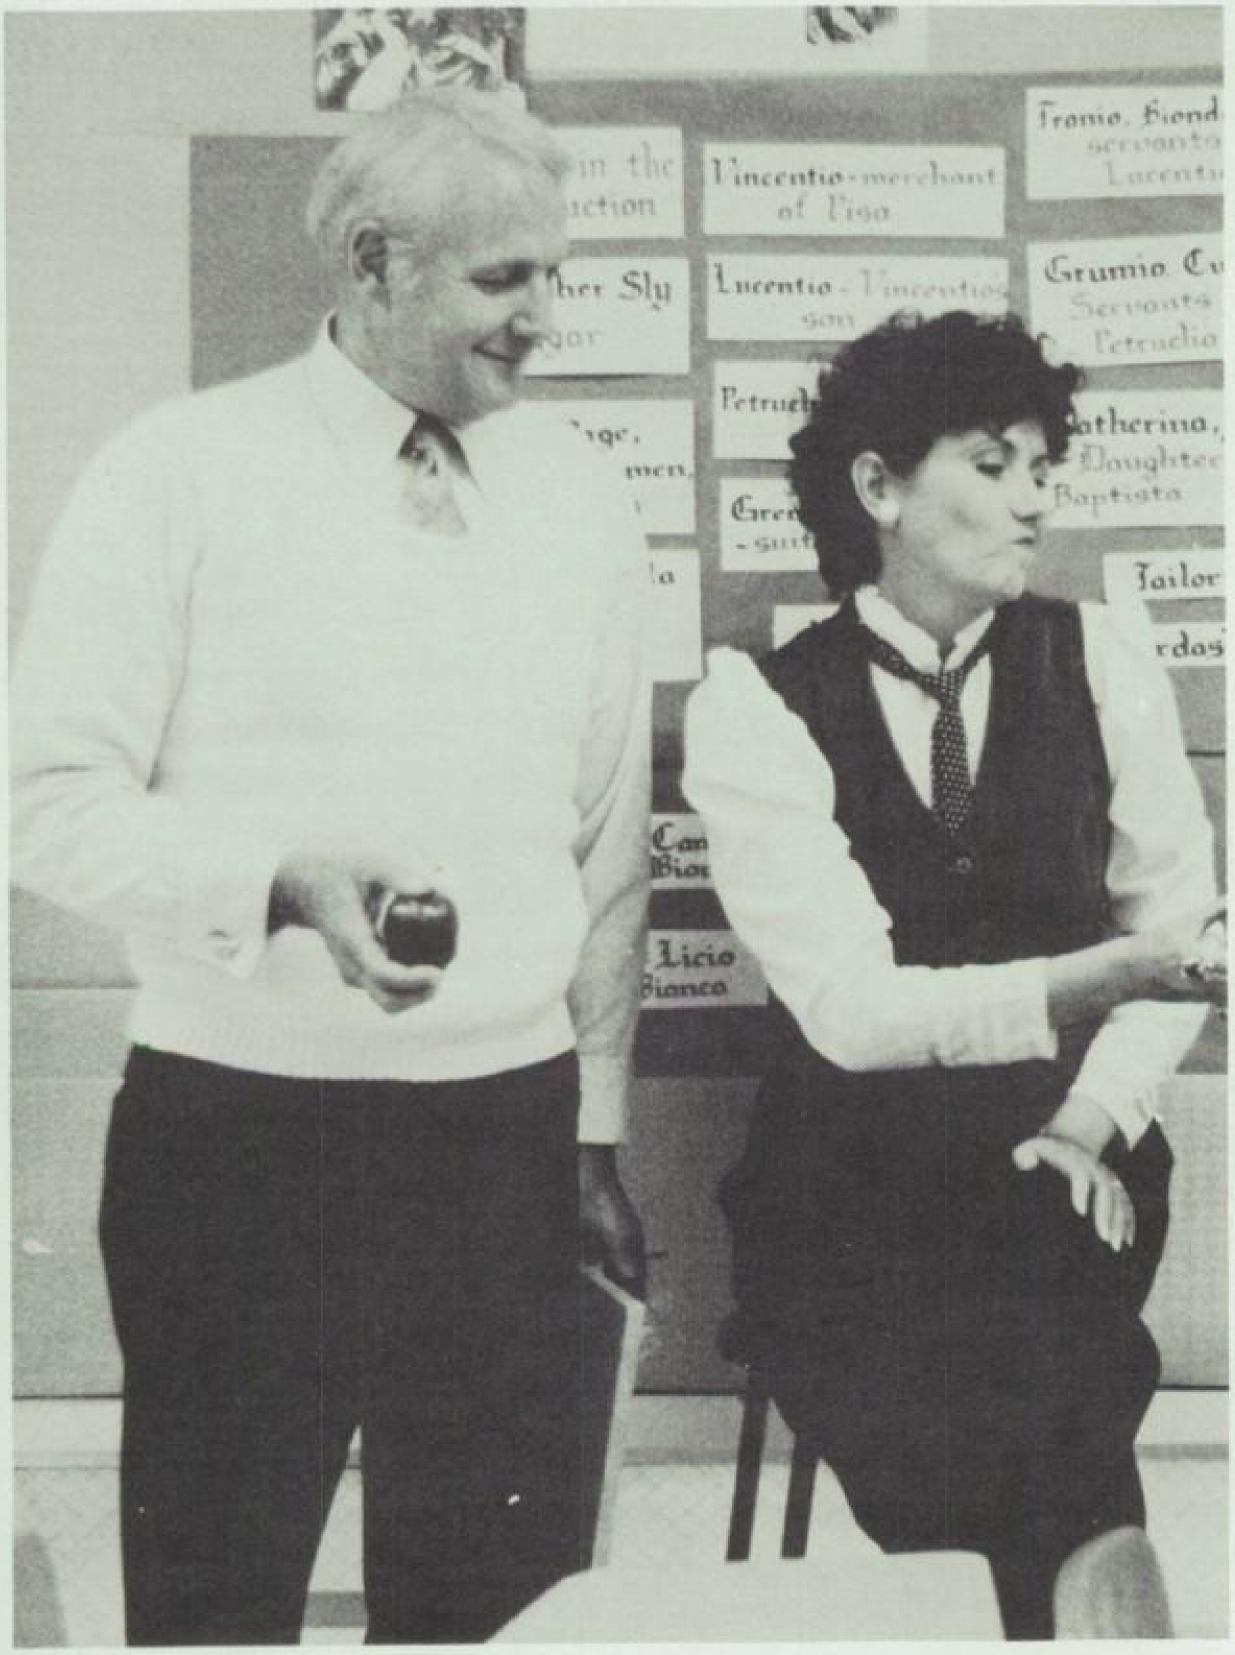
Two NSHS teachers, Mr. John Bernardi (Social Studies) and Mr. Stan Uchiyama (Agriculture) were chosen as mentor teachers for the Salinas Union High School District.

A mentor teacher is a teacher who basically helps new and experienced teachers who request help. They do this by offering seminars for the teachers and working in the classroom with them. Thus, a mentor teacher must have good experience, a good reputation with his school and colleagues, and be willing to work a little harder during the summer and school months.

Although both Mr. Bernardi and Mr. Uchiyama are mentors, they have additional responsibilities and duties. Mr. Bernardi's individual project is working in the classroom with first year teachers, working with his cooperative teacher who took over his afternoon classes; so he could be free to attend meetings and other various functions. Mr. Uchiyama, on the other hand, was more interested in the unity of curriculum. In other words, he'd like teachers who are teaching the same subject in the same grade be consistent in their teachings throughout the district.

Chosen from a panel of eleven teachers and administrators, these two were interviewed and observed in their classrooms to make sure that they were the best the district had to offer.

CLASS OF "85" BREAKS OUT FAVORITE TEACHER RESULTS



"Is that all?" Ms. Andreotti asks when she receives an apple from a devoted student. Mr. Baxter seems more content with his apple.

The two favorite teachers choosen this year by the class of 1985 were Ms. Darlene Andreotti (English Dept.) and Mr. Vern Baxter (Social Studies Dept.).

This year Ms Darlene Andreotti is teaching a freshmen Gate English course and four 5-6x English courses. She is involved in other activities outside of her classes such as: GATERS, Ashland Club, and the Academic Decathlon Team. A warning to all students who come in contact with Ms. Andreotti rumor has it that she keep poppets and frequently makes excursions into the forest to meet with the Black Man. Although, in all thruth she brings vivacity, fairness, and an encouragement to learn to her classes.

Mr. Baxter is teaching three Personal Psychology courses and two Marraige and Family courses. A warning to all students who might have Mr. Baxter for a teacher in the future: first three weeks of his class is an embarrassing test of loyalty for the student. However, his terrific humor is worth putting up with his eccentricities. No one could ever forget his most expressive term "HONK YOU!"

Favorite Teacher Nominees

Ms. Darlene Andreotti (English Department). Mr. Vern Baxter (Social Science Department) Mr. Rudy Garcia (Foreign Language Department), Mr. Robert Kennedy (Science Department), Mr. Derrell Kunnas (Student Activities Director), Mr. George Roach (Math Dept.) Ms. Loretta Rosenga (Foreign Language Dept.), Ms. Billie Shinn (P.E. and Science Dept.), Ms. Margy Silveria (P.E. Dept.), Ms. Karol Spann (Art Dept), Mr. Jeff Sweet (Science Dept.).

FRED PFYFFER OWNER

With the completion of my Advertisement Section, I feel that many thanks are in order, especially to three very special people. Those three very special people are **Mr. Farnsworth, Ken Caveney,** and **Jeff Pohl.** Without them, my section would not have run as smoothly as it did.

First of all, there was **Mr. Farnsworth,** who was always willing to give up his extra time to help us, encourage us, and be there for us.

Being there for us, and being able to work under a lot of pressure was our Editor-in-Chief, **Ken Caveney.** Ken was also always there to offer his own words of encouragement, and do whatever else he could do to see that our job was done right.

Then there was Head Photographer, **Jeff Pohl** who was always willing to take time out from his busy schedule to take an ad picture, or print up some pictures.

Thank you's also go out to the many staff members who helped me the biggest part of my job which was selling the ads.

Very special thanks goes to **Mrs. Larsen,** and **Mrs. Hope.** who not only had time for their jobs, but also had time to work along side me to do my job. They were also always there with their smiles, and cheerful voices to help me through the day.

With not much else to say except thank you, I'll close with a smile and say Thank you.

Stacey Nation,

Business Manager

BREAKING OUT THE THANKS

This has definitely been a "Breaking Out!" year. For everyone on staff, the year has been breaking out of problems, out of deadlines, but mostly into a Valhalla yearbook. Now thanks are due to those that made this book what it is:

Hey, **Toni,** no one has ever had color seniors at North High before. Those nights were worth it when **Greg** and the two of us spent hours making sure nobody was left out.

Sylvia- you're *awesome.* Thanks for making us meet the important deadlines, despite all those last minute hassles. Organizations is really standout.

And **Lori,** I don't see how you were able to juggle your job, school, and cheerleading around and still give yearbook your full attention. You did. And it paid off! **Joy,** you are a jack-of-all-trades. Freshman editor, layouts, photographic organization were some of the many hats you wore. **Jeff-** I've never seen motion captured on a yearbook like you've done for the cover of Valhalla '85. You have captured the essence of Breaking Out.

Jeff and Rich, good job at keeping photographers **John, Natalie, Danny** and myself in line; and always in focus.

Mr. Farnsworth, for the dedication and the patience, thanks! You're one in a million. Without your organization this book might still be in the planning stages. Your announcements will always be important, no matter how little we want to hear them.

Many thanks to **Dori's Photography, Ken Cook, Mrs. Larsen, Mrs. Gourley, Mr. Kunnas, Mr. Viales, Mrs. Kanppen, Mrs. Cruz, Patty** and **Natalie,** and **Leon Skinner.** But my biggest thanks for keeping me going when I wanted to quit, and helping me laugh when I found out negatives were lost go to my personal saviour **Jesus Christ,** who is a very real person in my life. I could never have made it without you and hope that some day we may all call ourselves Christians.

Kenneth Steven Caveney

Susie-

Well, we had a good time in cooking; except when our food didn't turn out so great!

I hope you have a great & wonderful life with Wendall & live happily ever after!

See ya 'round!

Love Always,

Mary Sanders

Susie,
It was fun
knowing you this year
all I can say is that
I'm going to miss you
when you leave I'll still be
her for two more years and I
hope you won't forget me, and
don't change for nobody stay the
same way you are pretty, cool etc....
I hope you get what you want out
of life.

DO is great
E 85 too!

Mrs. Monica!
Hey woman! Well you've
been a great friend to
talk to about problems
& such. Especially Mr. Ron...
- Anyway, I wish the
best to you in your
marriage to Wendel!
He's a really lucky
guy to be getting hitched
to such a sweet & caring
person. You better invite
me to your wedding or I'll
go & hassel you at the big "E" HA
Glad when you move to Germany
I want you to write & tell me all!!
- Hope your graduation fulfills all
of your eager expectations of life!
Take Care of yourself & Stay the same,
a wonderful person! Bye!

Well you're a real
sweet person who's
fun to "chit-chat" with!
Well, good luck w/ Wendel
and Take care kay?
Lotsa love...
Liza

Friends!
Always,
Leanna

Susie,
It's been nice seeing a friendly face around campus and Emporium.
It's trippy, we're kind of like in the same shoes. Both of our guys are in the military. I hope you'll be in good hands because a sweet person like you deserves the best. Maybe we'll meet in another country sometime.
GOOD LUCK
